The Company acts as Executor, Administrator and Guardian, and receives and executes Trusts of every description. These various positions and duties are assumed by the Company, either under Deeds of Trust, Marriage, or other settlement executed during the life-time of the parties, or under Wills, or by appointment of the Court.

The Company also undertakes the investment of money in real estate mortgage securities; collecting and remitting the interest for a moderate charge. It will either invest the money as agent in the usual way; or should the investor prefer, it will for an extra charge, guarantee the principal and the prompt payment of the interest on fixed days, yearly or half-yearly. Mortgages thus guaranteed and taken in the name of the investor, are the safest class of investments, and specially commend themselves to Trustees, as well as to Municipal Corporations and Public Companies desirous of establishing Sinking Funds.

The Company also acts as agent for the collection of interest or income, and transacts financial business generally, at the lowest rates.
