There's Money

For grocers and general dealers in a well-selected assortment of Tobaccos. But unless the article has a reputation for meeting all the requirements of the most exacting smoker, you had better not keep it at all. Our

CUT Old Chum AND PLUG

for instance, has stood the test for many years. If you keep it you keep something that reflects credit on your judgment, helps other departments of your business, and leaves you a good margin of profit. Its the same with our famous FANCY MIXTURES—or indeed anything in Tobacco bearing our name, which has come to be regarded as a guarantee of excellence. We have found that merit tells. So will you.
