

The people at the World's Dispensary of Buffalo, N. Y., have a stock-taking time once a year and what do you think they do? Count the number of bottles that've been returned by the men and women who say that Dr. Pierce's Golden Medical Discovery or Dr. Pierce's Favorite Prescription didn't do what they said it would do.

And how many do you think they have to count. One in ten? *Not one in five hundred!*

Here are two remedies—one the Golden Medical Discovery, for regulating and invigorating the liver and purifying the blood; the other, the hope of weakly womanhood, and they've been sold for years, sold by the million bottles; sold under a *positive guarantee*, and not one in five hundred can say:

"It was not the medicine for me!"

And—is there any reason why you should be the one? And—supposing you are what do you lose? *Absolutely nothing!*

PUREST, STRONGEST, BEST.
