

# Fort Norman OIL

**T**EACHERS! You have heard of the Imperial Oil Co.'s big gusher at Fort Norman, Alberta. This means thousands of dollars' profit for lease-holders on lands adjacent to this well. Texas and Oklahoma gushers made millionaires out of lucky lease-holders. Fort Norman will do the same for us! I am putting every cent I possess into Fort Norman leases; the demand for them has already commenced. Soon oil men from all over Canada and the U.S. will be bidding one against the other for these leases. In a few months, weeks, possibly, these leases will net me thousands of dollars' profit. Do you want a share? I invite every teacher to participate with me in this great fortune-making opportunity. You all know me; for eight years I have been placing teachers in Alberta schools, and have a reputation for straight dealing. I have watched oil developments here very closely, determined to get in with every dollar when the real chance came. I tell you confidently this is it! \$100 invested today may mean \$1,000 by the spring! It has happened before wherever oil gushers have been found. It will happen again. Don't hesitate! You cannot make money on a salary. Quick action with me now may spell fortune for us in a few weeks. Write me today for details of my plan. **H. F. Mullet, 207 Macleod Building, Edmonton, Alberta.**
