

2. Postage stamps and impressions of postal franking machines must include, as far as possible in Roman characters, an indication of the country of origin and mention their postage value according to the table of equivalents adopted. The number of monetary units or fractions of the unit used to express this value is indicated in Arabic figures. As regards printed papers prepaid by means of impressions obtained from the printing press, the indication of the country of origin and the amount prepaid may be replaced by the name of the office of origin and the mention "*Taxe perçue*" (Charge collected), "*Port payé*" (Postage paid) or a similar expression.

3. Commemorative stamps or charity stamps, for which a supplementary charge is to be paid independently of their postage value, must be produced in such a way as to leave no doubt about the latter.

4. Postage stamps may be specially perforated by means of a punch, subject to the conditions prescribed by the Administration issuing them.

PART II

Conditions of Acceptance of Correspondence

CHAPTER I

Regulations Applicable to all Classes of Articles

ARTICLE 7

Make-Up and Address

1. Administrations must recommend the public

- (a) to address postal packets in Roman characters, parallel to the length of the article in such a manner as to leave the necessary space for the service indications and labels;
- (b) to indicate the address precisely and completely so that transmission and delivery to the addressee can be effected without enquiry;
- (c) to affix postage stamps or the impressions of postal franking machines in the top right-hand corner of the address side;
- (d) to indicate the name and address of the sender either on the back or on the front in such a manner as not to obscure the address nor prevent the application of the service indications or labels;
- (e) as regards articles sent at the reduced rate, to indicate the class to which they belong.

2. Stamps other than postage stamps, stamps in aid of charitable objects, and others which might be mistaken for postage stamps must not be affixed to the address side. The same rule applies to impressions of stamps which might be mistaken for impressions of postal franking machines.

3. Correspondence on postal service sent free of postage must bear on the front the note "*Services des postes*" (Postal Service) or a similar indication.

ARTICLE 8

Poste Restante

The address of articles addressed "*poste restante*" must give the name of the addressee. The use of initials, figures, christian names without surnames, fictitious names or conventional marks of any kind is not admitted for these articles.
