

RESOLUTION 7¹

The Conference, being desirous of securing the maximum protection for hospital ships, expresses the hope that all High Contracting Parties to the Geneva Convention for the Amelioration of the Condition of Wounded, Sick and Shipwrecked Members of Armed Forces at Sea of August 12, 1949, will arrange that, whenever conveniently practicable, such ships shall frequently and regularly broadcast particulars of their position, route and speed.

RESOLUTION 8

The Conference wishes to affirm before all nations :

that, its work having been inspired solely by humanitarian aims, its earnest hope is that, in the future, Governments may never have to apply the Geneva Conventions for the Protection of War Victims ;

that its strongest desire is that the Powers, great and small, may always reach a friendly settlement of their differences through cooperation and understanding between nations, so that peace shall reign on earth for ever.

RESOLUTION 9²

Whereas Article 71 of the Geneva Convention relative to the Treatment of Prisoners of War of August 12, 1949, provides that prisoners of war who have been without news for a long period, or who are unable to receive news from their next of kin or to give them news by the ordinary postal route, as well as those who are at a great distance from their home, shall be permitted to send telegrams, the fees being charged against the prisoners of war's accounts with the Detaining Power or paid in the currency at their disposal, and that prisoners of war shall likewise benefit by these facilities in cases of urgency; and

whereas to reduce the cost, often prohibitive, of such telegrams or cables, it appears necessary that some method of grouping messages should be introduced whereby a series of short specimen messages concerning personal health, health of relatives at home, schooling, finance, etc., could be drawn up and numbered, for use by prisoners of war in the aforesaid circumstances,

the Conference, therefore, requests the International Committee of the Red Cross to prepare a series of specimen messages covering these requirements and to submit them to the High Contracting Parties for their approval.

RESOLUTION 10

The Conference considers that the conditions under which a Party to a conflict can be recognized as a belligerent by Powers not taking part in this conflict, are governed by the general rules of international law on the subject and are in no way modified by the Geneva Conventions.
