Honourable H. G. Carroll, K.C., LL.D.,  
Lieutenant Governor of Quebec,  
Q u e b e c .

My dear Mr. Carroll,

It has given us great pleasure to learn from Colonel Papineau that you propose to continue the policy of your predecessor in presenting medals to the University.

These medals are regularly announced in our Calendar, and their award is regarded as a high honour by the recipients and ourselves.

I am,

Ever yours faithfully,

Principal.
