

GOVERNMENT HOUSE
OTTAWA

January 10th 1925.

Dear General,

I am desired by His Excellency the Governor General to say that it would give him much pleasure if you would stay at Government House, Ottawa, on the occasion of the Vimy Dinner on April 15th next.

I should be much obliged if you would let me know, later on, whether you will be able to accept this invitation, and if so, by what train you will arrive.

I am,

Yours sincerely,

Willis

Major.
