Hon. J. S. Archibald,

Montreal.

Dear Sir:-

You are aware that this year the graduates of McGill will elect two of their number to serve on the Board of Governors of the University. One will be elected to serve for two years and the other for three.

The Nominating Committee of the Graduates' Society have submitted to me the following names, which they intend to place before the graduates for ballot:-

Brig.-General Eric McCuaig,
C. Graham Drinkwater, Esq.,
Eugene Lafleur, Esq.,
George H. Montgomery, Esq.,
Walter Molson, Esq.

If you have any objection to any of these men being elected to the Board of Governors, will you please let me know in confidence and I shall advise the Nominating Committee to drop that name from the list.

Yours faithfully,

Principal.
