ships, their luxurious furnishings, rapid speed, and disregard of adverse winds; yet this lady, in the interests of her family, braved its dangers and endured its discomforts and hardships no less than eight times, including six voyages between Great Britain and Jamaica, besides making several other trips of almost equal length and danger.

The Johnstons are descended from a very ancient Scottish family, who trace their ancestors to the days of the Crusades, if not to those of the Conquest. The presence of over two thousand troops in Savannah rapidly changed its usually dull and quiet society into scenes of gaiety and festivity. Assemblies, balls, routs and parties were of common occurrence, and the military soon became great favorites with all classes in the community. Among the
