## **MOTORCYCLE RACES** AT THE EXHIBITION

American Champion to Meet Baribeau—The Entries and the Program.

John U. Constant of New York, the U. 5. champion metorcycle rider, who rides Joe Baribeau and others in the pro. event at the Wanderers' meet today, arrived yesterday, and in his trials at the Exhibition track in the morning rounded the track one-fifth of a second faster than Baribeau or Cole were ever clocked.

If he can do the same in the races, Baribeau can kiss the Ontario championships good-bye. Vanalinkirk of Rochester has a new ported machine with him

and is going faster than he has yet shown. Bob Scott's machine has loosened up in grand style, and he will give Alex. Duff, this year's amateur sensation, a great run for the honors in the amateur races. The races start at 2.30. Seven events are carded. There are 18 entries in the novice and amateur events, and five are carded in the professional events. In the pro. events, the race for third between Vanalinkirk and McIntosh will be just as keen as the clash for first between Constant and Baribeau.

## THE TORONTOS PLAY WINNIPEG C. C. NEXT

Last Club Contest of Season — Two Games Today in City Cricket League—Official Lists of Players.

Had Green eliminated one of those "no balls" or had a dozen or so other things not occurred or vice versa last Tuesday at Varsity, the St. Aibans Cricket Club and not Toronto would be defending the Robertson Cup next Friday and Saturday against Winnipeg. However, to the victors belong the spoils and the trophy is still in good hands, with little likelihood of being lifted by the westerners.

The tie score following the same freak result in the Toronto-Hamilton game is a record for the country that will stand for many a day.

The victory of the Germantown Club over the Australians is a reminder of the remark of Manager Benjamin at Rosedale when his team was giving all-Torento a terrible walloping. He sald: "You may not think you have a strong side, but I assure you that the Toronto team is as strong as any we'll meet on this continent. Just watch us at Philadelphia. We will roll up as big a margin there as in this game."

Next Saturday Rosedale and Toronto are scheduled to play in the City League, but as Capt. Saunders will be engaged with Winnipeg the game must be post-

Local cricketers regret that the Rose-dale XI., which is playing a particularly strong game this season, will not be given a chance to play Toronto for the championship. However, the two teams will play off their City League fixture on Labor Day, and if Rosedale wins the holders' title to the honor will be hardly as clever as it might be.
