FIRST CRICKET OF THE SEASON
Picked Team Beat the Soldiers in Friendly Game at Exhibition Grounds.

Also a bit early for the summer pastime, an interesting game was played at Exhibition camp on Saturday between the 15th Battalion and a team composed of Dovercourt, St. Edmunds and Yorkships members. The 19th batted first on Yorkshire Society's wicket, and put up a score of 38. Sgt. McCoy heading the team with 36. Sam Weller was most successful with the ball, bowling the whole of the innings, taking six wickets. For the nonplayers, Sam Weller (18), Deas (18), S. Young (10), and J. Gould (10) were the main hitters, and, with only four required to win, things looked rosy for the nonplayers. Sam Grimshaw, the last man in, however, was un-lucky enough to put up a ball from Geo. Gray which that bowler very smartly caught, the innings closing for 80. The scores:

STANLEY GUN CLUB.
 The Stanley Gun Club held an open practice shoot on Saturday, when a pleasant afternoon was spent at single birds, doubles, tower and hand trap shooting. W. Wood, an old-time trap-shooter, after a long illness, has come back to the sport alluring, and gave a good account of himself, breaking 30 out of 40, at singles also 8 out of 10 at the hand trap. A. Spier and A. Edwards were welcome visitors from the Creekside club and shot well. In shooting at doubles, when 200 birds were shot at, W. Stevens was high with 15 out of 24. T. Houghton was a close second with 15. W. Hughes 12, M. Sallabury 10. In shooting with the hand trap W. Stevens was high with the splendid score of 23 out of 25. In shooting at the tower trap birds (where the birds are thrown from 40 feet in the air), when 350 birds were shot at, W. Shey was high, breaking 13 out of 25, and W. Neller second with 11. Next Saturday the club will be open to all trap-shooters, when it is hoped there will be a good attendance.

New World's Relay Record for the Mile
 PHILADELPHIA, April 25.—At the University of Pennsylvania's annual carnival of relay and field sports yesterday, Pennsylvania's sterling quartet of four-milers, Kaufman, Lockwood, Lippincott and Meredith, the last two Olympic champions, set a new world's mark in the one mile college relay for the American championship when they beat four flying runners from Harvard in 3 minutes 14.3 seconds, breaking the world's record of 3:18.1-5, held by the Irish-American A.C. of New York.

AS WORN BY HIM
Good Clothes Cost Less Today Than Twenty Years Ago

"The purchasing power of a dollar is just about half what it was twenty years ago," said a prominent industrial director, "but I bought yesterday in a Semi-ready store for \$25 a gray worsted pick-and-pleck weave which is exact in texture and wool quality to what I paid a custom tailor \$35 for in 1895. I know, for I have both suits today for face to face comparison."

The proprietors of the Semi-ready tailoring idea started in 1895 to effect that saving by efficiency methods in hand-tailoring and by wholesale methods of manufacturing and distribution.

Every principle of economy was studied, even to the showing of samples to the merchants throughout the country. A Semi-ready traveler carries his designs and patterns on a close schedule, staying but a day in a town.

Each year has shown some substantial progress in the reduction of cost and in the uplift of quality. Most of the cloth patterns shown in the Semi-ready fashions are woven to order from imported wool yarns brought in England by the resident executive. Savings of as much as \$1 a suit have been effected in one year, and the Britonloom serge suit at \$25 is today equal in value to many a \$35 quality.

Even the ready-made clothes improve the quality of their cloth to meet their customers, and the "overflow demand" for something better. So that Semi-ready can claim credit for an uplift in the whole clothing trade of Canada.

The "price in the pocket" is another important factor. It is like the published price list of the stocks and grain exchanges, for it prevents any extortionate demands above the standard value.

In the face of advancing cost in wages, material, rents and all incidentals of trade, a suit of Semi-ready clothes today costs 25 per cent. less than the same quality of tailoring cost twenty years ago. That is something accomplished in one line of industry.

The First Annual City Playground Banquet
 The first annual City Playground Banquet was held at Moss Park Recreation Centre on Saturday night. Twenty-two lady and men supervisors and sixty-nine girls and boys, representing every minute of the city, were present. The boys and girls sang popular songs between courses and then each centre put on a five to ten minute program. The centres were not only seated in the order in which they had come into the city playground system, but they put on their programs in the same order, viz., St. Andrews, Elizabeth, McCormick, Orest, Moss Park, East Riverdale and Moss street.

The "stunts" of the several centres varied. There were speeches, songs, stories, dances, etc. Some of the special features were the national dances by girls from McCormick, Elizabeth and Orest; the mixture of speeches, songs and centre yells from Moss Park; the songs and the recitation from the "soldier boy" of East Riverdale, who leaves for the front in the near future, and the songs and recitations from the "kids" of the "baby centre" of Moss street.

Director of Recreation Work S. H. Armstrong was treating to a pleasant surprise when Mr. R. L. Beckett, on behalf of the supervisors, presented him with a wrist watch.

WHERE TO LUNCH

MORE RACE HORSES DUE AT TRACK TODAY

From Oakville and Hamilton—A Quiet Sunday Morning at Woodbine Park.

Things were again on the quiet side at the Woodbine on Sunday morning. Most of the horses at the track were bred. The fastest moves made from the Davies stable were a quarter in 22 1/2 secs. by the two-year-olds Early Sight and Gold Trap. Calgary is not in very good shape, and Trainer McDaniel will not likely send him to the post at the spring meeting. Jockey Albert Claver of the Davies stable received an offer from J. P. Dolan of Windsor to ride his King's Plate candidate Okema.

A 3-year-old bay colt by Rotterdam-Allice Marshall, in a five and one-half furlong race at Fort Erie with Lady Curzon, easily by three lengths, in the good time of 1:02 2-5. At Woodbine he has races around the half mile last year, worked 3/4 in 34 1/2. Duke of Chester, another province bred, went 3/4 in 37 1/2 secs.

The Giddings cast off, St. Bass, who made the fastest time in the King's Plate at Woodbine this morning. The Hendrie horses are also expected.

Dr. Holzberg, a notorious mudder, who camped over the merry-go-round circuit during the past few years and is now going to start thru the field, was seen at the track.

Whitney Colors Again Show at Havre de Grace

HAVRE DE GRACE, Md., April 24.—H. P. Whitney continued his winning streak here today, for the light blue silks borne by Slumber II, flashed to the front in the running of the Philadelphia Handicap, at three-quarters of a mile. Groh, the newly-engaged stable jockey, had the leg up on the brother of Borrow, and rode him cleverly to victory over Waxman, Kewessa, Surprising Gina (a stable mate), and Kingly. DECIDE FIFTEEN PRELIMINARIES

Opening Night of O. A. A. U. Elimination Tournament in Arena Gardens.

There was a fair attendance on preliminary night of the Ontario Amateur Athletic Union's elimination tournament Saturday night at the Arena, when 15 bouts were decided. The show was started early and good management kept things going briskly until 11.30. The officials always arrived at the correct awards.

At 105 lbs. Williams (Riverdale) had to show all he knew to get a decision over Pettie in an extra round. Pettie put up an exceptionally good fight. Paynter, West Toronto, and Good, Judaea, were another extra round affair. Paynter had a good margin in the extra round.

At 115 lbs. Chapman of the Riverdale started like a whirlwind and had a nice St. Charles, in trouble early in the first round, but Price by careful boxing easily earned the decision.

Bull, B.U.A.C., had everything his own way in the first round, but the referee stopped the bout in the second round.

Header of the Classics didn't last one round against Brown of the Riverdale.

Whitey of Hamilton had the better of every round in his bout with Waxman of the Judeans, and won by a good margin, but the crowd didn't like the decision.

McGrath, B.U.A.C., and Heron, West Toronto, put up a great bout. Heron is a strong rangy guy and with little more experience will be hard to beat. McGrath made good use of his right, and won by a narrow margin.

Russell, Riverdale, had all the better of the bout with Wood of St. Andrews. At 125 lbs. James St. Andrews, and all over Doig of St. Charles, and made him quit in the second round.

King, St. Charles, and Lerner, Judaea, was the bout of the evening. Judaea had it over Halligan of St. Charles, but he took another rest, but was on his feet when the going soured. The referee stopped the bout in the third. In the heavyweight class Geddes, St. Charles, didn't give Hanna a good work out. Hanna put it all over him and won in the second.
