

Ship Eggs and Butter by Refrigerator Car

EGGS never improve in quality by holding especially so during hot weather. Indications are prices will rule steady. We beg to solicit your shipments.

Returns made promptly. No waiting. Send us your orders when you want a supply of new egg cases—or No. 2's

BUTTER in rolls wrapped in paper is almost unsaleable. There is a good demand for nice fresh stock packed in tubs. It is very risky handling rolls or prints during hot weather. Full market values allowed and prompt returns made. Write us when you have any lots to offer.

Send us your orders for Cured Meats and Lard. There are no finer cured Meats than "Griffin Brand."
