

THE VAN EYCKS AND THEIR ART. By

W. H. JAMES WEALE, with the co-operation of MAURICE BROCKWELL. With numerous Illustrations. Demy 8vo. 12s. 6d. net.

"The large book on "Hubert and John Van Eyck" which Mr. Weale published in 1908 through Mr. John Lane was instantly recognised by the reviewers and critics as an achievement of quite exceptional importance. It is now felt that the time has come for a revised and slightly abridged edition of that which was issued four years ago at £5 1s. net. The text has been compressed in some places and extended in others, while certain emendations have been made, and after due reflection, the plan of the book has been materially recast. This renders it of greater assistance to the student.

The large amount of research work and methodical preparation of a revised text obliged Mr. Weale, through failing health and eyesight, to avail himself of the services of Mr. Brockwell, and Mr. Weale gives it as his opinion in the new Foreword that he doubts whether he could have found a more able collaborator than Mr. Brockwell to edit this volume.

"The Van Eycks and their Art," so far from being a mere reprint at a popular price of "Hubert and John Van Eyck," contains several new features, notable among which are the inclusion of an Appendix giving details of all the sales at public auction in any country from 1668 to 1912 of pictures *reputed* to be by the Van Eycks. An entirely new and ample Index has been compiled, while the bibliography, which extends over many pages, and the various component parts of the book have been brought abreast of the most recent criticism. Detailed arguments are given for the first time of a picture attributed to one of the brothers Van Eyck in a private collection in Russia.

In conclusion it must be pointed out that Mr. Weale has, with characteristic care, read through the proofs and passed the whole book for press.

The use of a smaller format and of thinner paper renders the present edition easier to handle as a book of reference.

COKE OF NORFOLK AND HIS FRIENDS.

The Life of Thomas Coke, First Earl of Leicester and of Holkham. By A. M. W. STIRLING. New Edition, revised, with some additions. With 19 Illustrations. In one volume. Demy 8vo. 12s. 6d. net.

THE EMPRESS JOSEPHINE. By JOSEPH

TURQUAN. Author of "The Love Affairs of Napoleon," "The Wife of General Bonaparte." Illustrated. Demy 8vo. 12s. 6d. net.

"The Empress Josephine" continues and completes the graphically drawn life story begun in "The Wife of General Bonaparte" by the same author, takes us through the brilliant period of the Empire, shows us the gradual development and the execution of the Emperor's plan to divorce his middle-aged wife, paints in vivid colours the picture of Josephine's existence after her divorce, tells us how she, although now nothing but his friend, still met him occasionally and corresponded frequently with him, and how she passed her time in the midst of her mistle court. This work enables us to realise the very genuine affection which Napoleon possessed for his first wife, an affection which lasted till death closed her eyes in her lonely hermitage at La Malmaison, and until he went to expiate at Saot Helena his rashness in braving all Europe. Comparatively little is known of the period covering Josephine's life after her divorce, and yet M. Turquan has found much to tell us that is very interesting; for the ex-Empress in her two retreats, Navarre and La Malmaison, was visited by many celebrated people, and after the Emperor's downfall was so ill-judged as to welcome and fete several of the vanquished hero's late friends, now his declared enemies. The story of her last illness and death forms one of the most interesting chapters to this most complete work upon the first Empress of the French.
