the trade in the rabout the homes of their birth.

re afraid of We talk about aggression upon British rights. I hold in my hand, and mimit to the honorable members upon this floor, a compiled catalogue of point, we he foreign rapacities of Great Britain, which shows, conclusively, her nothing to hirst for power, and wantonness in her seizures of the rights of others, and to not wish her grasping desire to lord it over land and sea. But to the catalogue:

en those The foreign rapacities of Great Britain.
