Total, \$1,103,600	

It will thus be seen, that by including every service, and maintaining each on the same scale as at present, the amount that will have to be paid by the General Government for the requirements of this Province, is \$1,103,600, and for local purposes by the Provincial Government, \$465,000. Immigration and Agriculture have been allotted to the General Government, as it would seem from the Act that a comprehensive system, including both departments, is contemplated by it. To the various local services, the allowances, as given above, are on the same scale as last year in every respect, with the exception of "special road services," which are to be considered as exceptional, and referring only to the particular year for which they were granted.
