### Better Than American

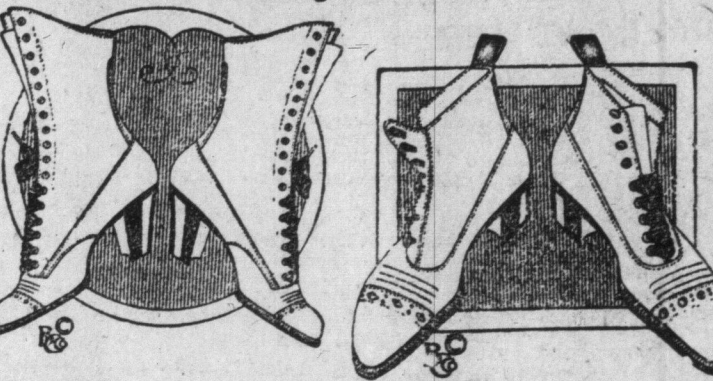

Lagers, because there is no rice, corn or other malt adjuncts used in Kuntz's Old German Lager. Pure Barley Malt, Bohemian Hops, high-class yeast and sparkling spring water—these are the materials from which Kuntz's Old German Lager is brewed. It's surely a high-quality lager, with an Old German flavor that is really a joy to taste. Try a bottle at the hotel or café for luncheon, or order a case from your liquor dealer.

All Doubts Dispelled.  
The track at Hillcrest Park is now covered with a perfect sheet of ice several inches thick, and the local horsemen are now wearing broad and contented smiles. All doubts as to there being ice for the Toronto Driving Club's meeting have been dispelled by the recent cold weather, which the executive of the club was not slow to take advantage of.

The entries for the different classes close today with Secretary Chas. Snow.

Carpetball.  
The final for the carpetball championship of Taylor A.C. was played on Thursday between R. Barlow, skip of the Col's, and H. Hamlin, the president of the Col's. Barlow won easily, and great credit is due to him for his true and consistent bowling all thru the tourney.

Taylor are holding their second annual Christmas stag euchre on Thursday, Dec. 19, in their clubroom, at 146 East Front street, at eight o'clock. The prizes will be poultry, and everything points toward this being the best progressive euchre the club have held. Tickets are 25 cents.

Check Book Boys Organize.  
Last evening the factory employees of the P. N. Burt Company held their initial hockey meeting, which proved a complete success. J. Connors was elected manager, but on account of being overburdened with other duties he resigned in favor of Dave Banks. A great deal of interest is being centered in the coming game with the office staff, and under Mr. Granger's direction the factory team should prove superior.

St. Mary's Ont., will put intermediate and junior teams on the ice this year under the one management. The executive committee for 1912-13 is as follows: President, Dr. J. R. Stanley, vice-president, T. M. Clark, secretary, Tom Granger, treasurer, H. Spelgrove; management committee, R. M. Northgrave, James Peebles, Dr. P. T. Coupland, H. Tuer.

## Two Great Sales NEXT WEEK

Monday, December 16  
AT 11 A.M.

Our offerings for our sale on this day will be very hard to equal anywhere. Many of our buyers have been the country for the past couple of weeks, and they report that they have secured exceptional all the stock to consign to us. Many of the best of all classes may be seen here, particularly heavy draughts, though special mention should be made regarding the wagon horses and expressors, of which we shall have as many as further we are in the business to sell them. We also sell a number of serviceably sound workers and drivers consigned to us by city people who have no further use for them, and a number of complete driving-express and teaming outfits.

Thursday, December 19  
AT 11 A.M.

On this day also we will have some extraordinary stock to offer, including horses of all classes. Do not forget that Thursday is bargain day here, as many of the dealers prefer to sell out at a little less than cost, if necessary, rather than carry their horses over to the following week. We have the horses, the prices are right, and we are in the business to sell them. You cannot fail to be satisfied if you are here.

ROBES: A prominent manufacturer keeps us supplied with robes in several grades, at different prices. These are indispensable for winter driving, and everyone who drives for business or pleasure during the cold weather should own one. We can supply you at surprisingly low prices.

WE SELL STRICTLY ON COMMISSION.  
ALL HORSES sold with a warranty are resalable by noon the day following day of sale if not as represented.  
YONGE, Dupont, Avenue Road, Belmont Line and Church cars pass within half a block of our stables.  
F. MAHER, Proprietor.
