What's Ahead, Young Man?

Think a bit—You're dealing in Futures.

You hope old age is ahead; so do we; though you MAY leave a widow away this side of sixty.

You are dealing in futures; let them be certain—the futures of yourself and your wife.

The certainty of a competence for yourself and your wife is of the utmost importance, for both if you live—for if you fall by the way. Read my advertisement in the morning's paper explaining a desirable plan.
