WINNIPEG GRAIN MARKET.

WINNIPEG, Jam. 17.—May wheat made a new high level of \$1.26% on the local market today and closed at \$1.26 or 1½ over Saturday's close. July was 1%c higher, closing at \$1.25%. Oats were 19 %c, and flax was 1½c up. Cash demand was good for everything but No. 1 northern, which did not seem to be much wanted. There was considerable trade in low grade wheat for hospital elevators nd mixing houses, and in Nos. 3, 4 and 5 for eastern mill account. Export houses bought wheat. Big export houses ought freely, but some classes of buying suggested direct British orders to meet the government requirements of louble stocks to be carried by all mills in the United Kingdom. Selling pressure lessened as the day advanced, and by losing time there seemed to be but one side to the market.

C.N.R. EARNINGS.
