TOOK SIX HEATS TO  
DECIDE THE WINNER

Grand Circuit Racing on the  
Half-Mile Track at  
Hartford.

Hartford, Conn., Sept. 4.—The second day of the grand circuit meeting over the Charter Oak Park race track today was marked by racing on the half-mile track, and there was nothing exceptional in the three events, except that it required six heats to decide a winner in the 2.24 trot. Bobby C. had an easy time in the 1.14 trot, taking the lead at the start and never being headed in any of the three heats. In the 2.15 pace John A. F. broke badly after winning the first heat. Seldine acted badly in the first two heats of the 2.24 trot, which was won by On the Rhine, but he won the third and fourth heats. The bay gelding apparently had the race won in the fifth heat when another break set him back and Crozier slipped into first place with Don Dix and clinched third money. In the sixth heat between the two horses Seldine lay in back of On the Rhine until the stretch and then passed Tallman as he pleased. Summary:

2.14 trot, three in five, \$800:

1918 Chalmers  
5 Passenger Touring

## A Magnificent Exhibit

THE CHALMERS collection of fine motor cars is easily the most attractive exhibit at the Fair.

With nothing spectacular, nothing to attract but the beauty of the cars themselves, the Chalmers exhibit stands out as a feature of the show.

Motor critics should not miss this opportunity to judge Chalmers cars.

There is the improved 5-passenger—the 1918 Chalmers. Here is a fine sample of Chalmers leadership in body styles. It is distinguished. Long, lithe, low-riding. A smart car and one clearly designed for delightfully easy spring-balance and comfort.

The smoothness of the improved motor, the amazing reserves of power, you are invited to test. Remember, scores of hard traffic tests proved its wide flexibility, its economy, its stamina. But you must drive the car yourself to appreciate the high efficiency this motor has now achieved.

Other fine models are being shown. Among them: a Cabriolet, Duplex, 7-passenger, Victoria.

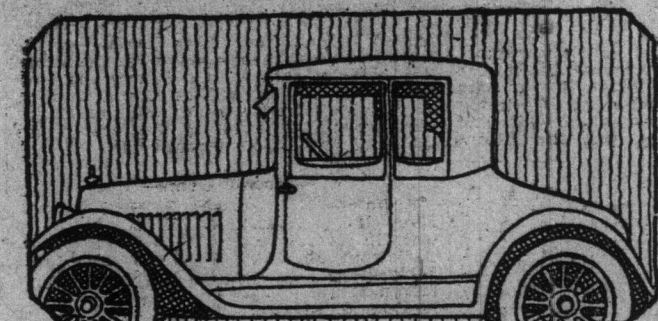

You Are Invited to examine these fine Models at Toronto Exhibition

CABRIOLET

Upholstered in either grey imported cloth or fine leather; top of high-grade leather; compartment for five suit-cases; a wide, roomy body with space for three, the driver's seat being slightly advanced. Ideal for physicians or those whose business duties takes them out in all kinds of weather. Very handsomely finished in coupe green or motor blue.

DUPLEX

A striking new four-passenger; a low-hung, racy speedster. This design is a decided break from the conservative in motor cars. Linked with a Chalmers motor, it has lightweight, wiry, high-speed performance that one could expect from its looks. Beautifully finished; comfortable and SPORTY.

VICTORIA

An ultra-fashionable adaptation of the popular 5-passenger Chalmers. It is a charmingly distinctive type, rendered more attractive still by a wide selection of body finishes.

## RACING AT BELLEVILLE FAIR.

Belleville, Sept. 4.—The second and concluding day of the Belleville Fair was today and it was largely attended. In every respect it has been the most successful fair held in the city for years. In every class there was keen competition for the prizes offered and the entries were numerous. Interest centred in the two speeding events, namely, the 2.30 class and the free-for-all. In the 2.30 class and the free-for-all, in the order to determine the winner. In each heat the trial for first place was keen. Between three of the four horses entered, Dayspring had no trouble in winning the three heats in the free-for-all.

The summaries are as follows:  
Free-for-all, mile heats:  
Dayspring, W. Parks, Belleville 1 1 1
