

MUD LAKE.

The spiritual condition of this band is very encouraging. The Sabbath services are well attended, while the weekly Prayer-meeting is well sustained by the Indians themselves, with an occasional visit from their pastor. The tone of piety manifested everywhere is deep and earnest. The school, though perhaps not as efficient as formerly, is doing good work for the young. Intemperance is fast becoming a thing of the past. Nearly every child in the village is now a member of the Band of Hope, managed by Miss A. Roberts, who takes an untiring interest in the moral and spiritual welfare of the children. Owing to an unusual number of deaths our membership has slightly decreased. We report a present membership of 38. There are many who are almost persuaded, and with a little extra labour much good may now be effected.

ST. CLAIR.

Our congregations are large. The means of grace among this people are mighty to save. Eleven have passed away this year in hopes of a blessed resurrection to eternal life. The Mission-house has been newly painted, and the surroundings are much improved. A fine toned bell has been placed in the church belfry and paid for. Members, 150 ; and 12 on trial ; total 162.

WALPOLE ISLAND.

In reporting this Mission the fourth year, I feel thankful to Almighty God for his goodness in the past. Although, through personal and family affliction, your Missionary has not accomplished all he, with the Divine blessing, might have accomplished, yet he is very grateful to God for what has been done. There have been a few conversions throughout the year ; so that after making up for loss by deaths and other causes, we return an increase of eight—with other improvements, such as a new school-house, that cost about \$330 all paid. It will seat over sixty, so the children do not sit on the floor as in the past. Our people have also paid on their old church debt over \$140. Our Sabbath-school and day-school have not been so well attended in the past winter as we could wish. Our people and their children have been away from their homes in greater numbers than in any former year since I have been on the Island. However, the day-school has begun to look up ; there is between thirty and forty in attendance and seventy on the roll. Our Sabbath-school is not as well attended as it should be ; about twenty would be the average. There
