## PREFACE.

This edition of the County of Huron Gazetteer and Directory is respectfully presented to the public with a sincere hope that it will meet with favor at its hands, and that the compilers will receive that consideration due to an earnest desire on their part to make the book as reliable as possible. Information has to be obtained from so many different sources that errors will unavoidably creep in, and wheaever such may be found it is to be hoped the public will generously overlook them.

The publishers desire to present their acknowledgments to the members of the Press in the County, the County Clerk and many other gentlemen for the kindness experienced at their hands both by themselves and agents.

To the advertisers and subscribers especial gratitude is due for the very liberal support given by them to the enterprise from the commencement.
