NEWS AND VIEWS OF SPORT

Sandy Ferguson, accompanied by his manager, Hugh McLean, unexpectedly arrived in Boston on Wednesday from Paris, where Ferguson boxed Joe Jeannette. The return of the Chelsea heavy-weight and manager was a surprise, owing to the fact that not later than Wednesday it was announced that Ferguson intended to remain in Paris and box Sam McVey there on June 12. Speaking of the trip, McLean said:

"Sandy beat Jeannette just as far as Sandy beat Al Kuback here in Boston. In the ninth round, when but two minutes had gone, Sandy dropped Jeannette as cold as a man could be dropped. The referee instead of counting, stood stock still and permitted the bell to be rung. Jeannette was brought around and he managed to go along."

"Honey Mellody did so well in Paris against Willie Lewis that he has been matched to box there this coming Saturday night. Let me tell you that, although he was whipped, Mellody is showing a lot of his old form."

"There is a strong chance that Jeannette and Sandy will meet again on this side of the water. In fact, the details were agreed upon before we left Paris and it is only a question of where it will be decided. Jeannette and Lewis are due in New York on Thursday and immediately on their arrival we expect to sign articles."

The most important act of the international council of the Olympic games, that has been in session at Berlin, was the recommendation of the principle of an international jury to decide the events in future Olympiads. The council took under consideration the unfortunate controversies that arose in London in 1908 and finally decided that it was wiser to introduce an international system of judging.

Acting President Heydler of the National league has announced approval of the following contracts and releases:

Contracts—With Boston, Jake J. Bouttes (player released to Rochester but returned by that club); with Cincinnati, W. H. Chappelle (assigned by Boston); with St. Louis, John Waller (assigned by New York).
Releases—By Boston to Kansas City, A. August Dorner; to Cincinnati, N. L. William H. Chappelle (by refusal to waive) by Brooklyn to Lawrence, N. E. L. Jesse Ryerson (player released to Brooklyn but returned by that club); by Chicago to Louisville, A. A. Anderson; by Cincinnati to Pittsburgh, N. L. Blaine Durbin; to Birmingham, S. L. McLean Robinson; to Montreal, E. L. R. A. Savage; by Pittsburgh to Cincinnati, N. L. W. T. Miller; by St. Louis to Jersey City, E. L. John Waller.

Montana Jack Sullivan had the better of every one of the 10 rounds except the third with Jim Flynn at Los Angeles the other night. Sullivan in this session was floored for the count, but managed to come back strong and win by a decision. Sullivan's showing was very impressive.

A dispersal sale of 77 high-class horses at Forest Park farm, Brandon Vt., on

Wednesday attracted a small army of horse fanciers and dealers from each of the New England states and New York. I. M. Chase, proprietor of the farm, recently disposed of the entire stock to J. Franklin Saunders, and the latter conducted the sale. While \$3500, obtained for each of two horses, was the highest received during the sale, the average was but \$310 each. The horses which brought the top prices were Princess (229.34) and Handspring Joe (228), both of which were sold to C. M. Dwight of Richmond.

The Army A. A. of Boston has decided that the weighing in of Jimmy Gardner and Tommy Quill at 3 o'clock next Tuesday will be in public. This will settle any doubts as to whether the men are at 142 pounds, the agreed upon figure. There has usually been some mystery attached to the actual weight in welter-weight matches held hereabouts in the past and the fact that those interested may see for themselves should satisfy the most captious critic.

John Heydler, acting president of the National league, yesterday decided that the protested Brooklyn-Pittsburgh game of May 15, which was won by Pittsburgh, 6 to 5, would count for the Pirates. Brooklyn entered a protest that one of the runs scored should not count, a player being on his way to third when Pitcher McHenry threw into the crowd. The Brooklyn club contended that Miller, who made the tally, had not passed second when the wild throw was made.

Ad Wolgast, the Milwaukee featherweight, will make his eastern appearance Saturday night when he faces Tommy Byrne in a six-round bout. Unless he gets some other matches in the he will leave for Los Angeles at once to meet Nelson.

A baseball meeting of great importance will be held in Cincinnati today. It will be the Board of Directors of the National league that will assemble, and the future of Harry Pulliam will be determined at that time. The board of directors consist of Ebbetts, of Brooklyn; Dovey of Boston; Dreyfus of Pittsburgh; Murphy of Chicago; and Herrmann of Cincinnati.

Of the board of directors, Dovey, Dreyfus, and Herrmann are for Pulliam. Ebbetts is on the fence, and Murphy would be for Pulliam if the New York club were against him. As it is, each of the four is against Pulliam. Murphy can be counted on to vote for the return of Pulliam to power after the end of his leave of absence, granted him at the spring meeting in Chicago, when he collapsed and disappeared, only to turn up later in St. Louis. Stanley Robinson of the Cardinals, is a Pulliam man, while the position of Durham, the new president of the Phillies, is unknown.

It looks as if Pulliam has five votes, and possibly six, that will stand by him when, following the meeting of the directors, the league presidents will get together. As a matter of fact, the New York club is the only one openly against him. Pulliam has entirely recovered his health, and is anxious to get back into harness.

ST. JOSEPH'S WIN FROM HIBERNIANS

Loose Game of Ball on the Shamrock Grounds Last Evening

A ragged exhibition of base ball was given last evening on the Shamrock grounds when St. Joseph's defeated the A. O. H. 15 to 4. Inaccurate errors on the part of the A. O. H. were largely responsible for their opponents' large score. Only two of the Shamrock men got through the game without an error.

Barrett was in the box for the St. Joseph's and after the first inning started down and was effective. Quinn pitched for the losers and had received any support at all the score would have been quite a bit less. There were 800 or more spectators. The score was:

ST. JOHN WON IN FIRST CUP GAME

Bankers Defeated By 35 Runs in Yesterday's Cricket Match for Horn Trophy

The first of the series of games between provincial cricket clubs for the Horn Cup was played on the E. D. C. grounds yesterday afternoon between the St. John Cricket Club and the Bankers, and resulted in a victory for the former by 35 runs on the first innings. Being the first of the season both sides were short of practice, but the match was keenly contested until the last ball was bowled.

For the winners, Popham carried off the honors, taking eight of his opponents' wickets very cheaply and scoring 20 in excellent style, marked only a chance off Cannell. The fielding was rather ragged and several catches were dropped. Bryden was the mainstay of the Bankers' attack and secured four wickets for twenty-two runs. Cannell's job bowling also proved effective. The score was:

Cough Caution

Never, positively never poison your lungs. If you cough—cough from a simple cold only—you should always heal, soothe, and ease the irritated bronchial tubes. Don't blindly suppress it with a stupefying poison. It's strange how some things come about. For twenty years Dr. Shoop has constantly warned people not to take cough medicines or prescriptions containing Opium, Chloroform, or similar poisons. And now—a little later—than ever before, the world is learning that if poisons are in your cough mixture, good! Very good! Good for this very reason—coughs, and others, should insist on having Dr. Shoop's Cough Cure. And none in the medicine else it must be made to cough remedy. Take no chance there, particularly with your children. Insist on having Dr. Shoop's Cough Cure. Take no chance there. Dr. Shoop's Cough Cure with others and note the difference. You can't make a mistake here. You can always be on the safe side by demanding:

Dr. Shoop's Cough Cure

ALBERT REGISTRAR LOSES HIS OFFICE

Alexander Rogers Had Committed the Unpardonable Sin of Being a Liberal—C. L. Peck in His Place

Fredericton, June 3.—Members of the local government concluded their business here this afternoon and returned home by this evening's train. They will meet in St. John next Tuesday as commissioners of the provincial hospital.

Ald. J. King Kelley of St. John, has made his report as commissioner to the government on the charges brought against Alexander Rogers, registrar of deeds in Albert county. His report showed that Mr. Rogers took an active and partisan part in the general elections of March 3, 1908. Acting on these reports an order in-council has been passed and signed by the lieutenant governor removing Mr. Rogers from office and appointing Charles L. Peck registrar of deeds in Albert county.

Two remarkable escapes from drowning are reported today. Mr. John Kilburn tells of the miraculous escape of an Indian from St. Mary's Reserve, named Joe Dedden, while on Kilburn's drive on the head waters of the St. John river. Dedden was swept into the stream by a heavy rush of water and was carried over Little Falls before he could get to the shore. He was bled and badly bruised as well as being rendered unconscious, but on being swept out of the sluice was whirled about in an eddy long enough for another driver to reach him and pull him out. For some time the Indian was unconscious but he recovered and was later able to do light work on the drive.

An employe of Gibson Co.'s saw mill at Newryville, N. B., escaped a narrow escape yesterday from being swept over the Marysville dam, which would have meant almost sure death, as it was being plucked from a plank used for crossing the dam as a "short cut" but fortunately he fell on the upper side of the wall. He was hurled against the plank by the rush of water and it took the united efforts of two men and himself to free him from his precarious position in which he was so tightly held by the rush of water.

Much damage and inconvenience has been suffered by local amateur gardeners as the result of the heavy frost of Tuesday night. Yesterday many citizens found their early vegetables destroyed by frost. Farmers from different districts report that the frost did much damage to early crops.

Rev. T. W. Street today quietly observed the fifty-fourth anniversary of his entering the ministry of the Church of England. He is in his seventy-eighth year and is enjoying good health, being the minister in length of service in the diocese.

The National Anthem. The York county Orangemen have decided to take part in the provincial celebration at St. John on July 12, and the committee in charge of arrangements met last evening and decided to accept the conditions offered by the C. P. R. to handle the excursion from this city.

NEW PITCHER FOR THE MARATHON BALL TEAM

Baseball enthusiasts are eagerly looking forward to the game between the Marathons and Clippers, on the Victoria grounds on Saturday afternoon. Both teams are putting in some hard practice and it is expected will put up one of the best games of ball witnessed in this city in a long time.

At the practice of the Marathons last night the sight of a new man in the pitcher's box excited much interested speculation among the onlookers. The stranger is a Yale college man and judging from the way he has acquitted himself so far he ought to prove a valuable acquisition to the team.

NATIONAL LEAGUE MEETS

New York, June 3.—The meeting of the National League magnates in Cincinnati tomorrow will be merely an impromptu session and no action is understood. It will be taken on the question of restoring Harry Pulliam to the presidency. This matter will be definitely settled at a meeting to be held in Chicago later in the month. August Herrmann of the Cincinnati club, it is said, will stand by Pulliam, and so will Robinson of St. Louis, Dreyfus of Pittsburgh, Durham of Philadelphia and Dovey of Boston. The New York club desires John Montgomery Ward as president of the National League.

GOT OAPED.

Mrs. Knowsitt—1 saw your stout friend, Mr. Boozem, in a drug store this morning. He asked the clerk to give him something to make him lean.

Mr. Knowsitt—He must have got it, 'cause when I came home tonight I saw him leaning against a lamp-post.

PRESBYTERIAL MEETINGS OVER

Miss Clark, of St. Stephen, Was Elected President at Yesterday's Meeting.

The annual meeting of the St. John presbyterian was brought to a close yesterday afternoon. Miss Elizabeth Clark, of St. Stephen, was elected president. Susan was chosen for the next meeting. The sixth and last session of the presbyterian was opened at 2:30 p.m. The devotional exercises were conducted by Mrs. Robertson. Discussion was opened on the proposed amendments to the constitution by the general body of the society. It was pointed out that the constitution was framed more than thirty-two years ago, and as it had not been changed since it did not altogether meet the conditions which have since arisen. This had been recognized by the general society and they had appointed a committee to frame a series of amendments which were now before the meeting for consideration.

It was pointed out by the president, Mrs. Jamieson, that the proposed amendments were similar to those passed by the St. John presbyterian last year. There was slight difference in the matter of the name of the society, but that did not amount to much. The amended constitutions of both bodies were read and after some discussion the proposed amendments to that of the general society were adopted.

Dr. Kate McMillan then gave an interesting talk on medical mission work in Korea. She was followed by Mrs. D. M. McLean, who spoke on mission work among the women and girls in Korea. A hearty vote of thanks to Dr. McMillan, Mrs. D. M. McLean, Mrs. A. W. Thomson, Rev. D. M. McLean and Rev. J. R. Scrymgeour was passed.

The new officers of the presbyterian are: President, Miss Elizabeth Clark, St. Stephen; vice-president, Mrs. Lockhart, Woodstock; county vice-presidents, Carleton, Mrs. T. Horst, Woodstock; Kings, Mrs. Murray, Sussex; Victoria, Mrs. Kelly, Andover; Charlotte, Mrs. Charles S. Everett, St. Andrews; Queens, Mrs. D. McD. Clark, Chipman; York, Mrs. M. J. McPherson, Harvey; Kent, Westmorland and Albert, Mrs. W. King, Burdocks; St. John county, Mrs. Susan Robertson of St. Stephen's church, St. John; secretary, Miss Barbara G. Walker, Woodstock; treasurer (for life), Mrs. George McFarlane, Fredericton; auditor, Mrs. T. G. J. Leggie, Fredericton; field secretary, Mrs. J. H. Thomson, St. John; secretary for young people's work, Mrs. L. A. McLean, St. John.

At the cordial invitation of the Sussex Presbyterial church it was decided to have the annual meeting of the presbyterian at that place next year.

The newly elected president, Mrs. Elizabeth Clark, was called to the platform and briefly thanked those present for the honor done her. After the singing of a verse of God Be With You Till We Meet again, the convention was adjourned.

MONCTON THEATRE MEN MAKE AN OFFER

Willing to Give City Half of Their Profits in Lieu of License Fees

Moncton, N. B., June 3.—Local theatre men are strenuously protesting against the proposal of the city council to increase their license fee from \$100 to \$200. At tonight's meeting of the Moncton Theatre & Winter and Dividend appeared and presented arguments against the proposed increase, contending that the theatre men are making very small profits and an offer was made to give the city half of the profits this year if the license was cancelled. St. John was cited as a show that a \$100 license was stiff enough in Moncton. The council promised consideration.

A committee of aldermen was appointed to confer with the labor organizations in reference to the demonstration here on Labor day. Invitations have been sent to all labor orders in the province to celebrate Labor day here, and it is expected a monster demonstration will be held. Prominent labor leaders are to deliver addresses following the morning parade.

THE RIVER COMMISSION VIEWS VAN BUREN BOOM

Van Buren, Me., June 3.—St. John river commissioners left here today for St. Francis. The trip to St. Francis and back will occupy at least three days so that the commissioners cannot possibly reach here again until Saturday.

The interesting feature of their investigations was their visit last night to the sorting gage of the St. John Lumber Company to see the work carried on by night. They returned from Grand Isle late in the afternoon and after supper drove to the sorting gage where brilliant arc-lamps enabled the lumbermen, rivermen and millmen to carry on operations continuously at night as in daylight.

TEAMS PROFESSIONALIZED

New York, June 3.—Great interest was manifested in college and amateur athletic circles here today in a telegram received by Major John J. Dixon, chairman of the national registration committee of the Amateur Athletic Union, from the chairman of the registration committee of the Rocky Mountain Association, stating that this committee had declared professional both the University of Colorado track team and the Leland Stanford University track team. The suspension is said to be due to the fact that the two teams competed in a dual meet without sanction from the Rocky Mountain A. A. U.
