MOFFAT'S

VEGETABLE LIFE PILLS PHONIX BUNDERS.

The high and envied celebrity which these pre-eminent Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unaccessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

Cure of every curative diseases, tent be found in IRRIGHT'S INDIAN VEGETABLE PILLS

OF THE NORTH AMERICAN COLLEGE OF HEALTH.

THESE extraordinary Pulls are composed of plants which grow spentaneously on our own soil; and are therefore better adapted to our constitutions, than medicines concocted from foreign drugs however well they may be compounded; and as the INDIAN VEGETABLE PILLS are founded upon the principle that the buman body is in truth.

SUBJECT TO BUT ONE DISEASE, viz: corrupt humors, and that the said medicine cures the disease on NATURAL PRINCIPLES, by cleanising and puritying the body; it will be manifest, that if the constitution be not entirely exhausted—a perseverance in heir use, according to directions, is absolutely certain to drive disease of every name from the body.

When we wish to restore a swamp or morass to fertility, we drain it of the superabundant waters in like manner, if we wish to restore the body to health, we must cleanse it of impurity.

The Indian Vegetable Pills will be found one of the best, if not the very best, medicines in the world for carrying out the GRAND PURIFYING PRINCIPLE, because they expel from the body all morbid and corrupt humors, the cause of disease, in an easy and NATURAL MANNER, and while they every day
