### THE BOSTON MEDICAL AND SURGICAL JOURNAL.

THIS well known and long established Periodical entered upon its Seventy-second Volume in February, 1885. It will be issued Weekly, as heretofore, from the Office of Publication, 334 Washington Street, Boston. Its editorial management is entrusted to two of the Medical Faculty of Boston, Members of the State and City Societies, and well qualified for their place by scientific and literary attainments. Aid is also freely given by many of the leading Physicians of Boston, and contributions are received from eminent members of the profession in other parts of the Country. All the Medical and Surgical Reports made to the Boston Society for Medical Improvement are inserted in the *Journal*, and also the more interesting cases and Reports from other Medical Associations in Boston and its vicinity. Valuable communications are also from time to time received from Surgeons in the Army and Navy. Its contents, though mainly of a practical character, are intended to be sufficiently varied to make its weekly visits interesting as well as useful to the Medical practitioner.

The Price is **FOUR DOLLARS** a year, payable in advance.

Previous numbers of the current Volume furnished, and back Volumes also supplied at a liberal discount.
