

perform Statute labour in his division, and of what part of such labour has been performed, together with an account of all monies, which have come into his hands by virtue of his office. A blank form for making the above return will be given him by the Township Clerk at the April Special Sessions.

In case of any sudden obstruction, or damage, to a road, or for the purpose of putting up marks to guide travellers over any frozen waters, the Overseer is required to expend any money in his hands, or to call out Statute labour under his direction, at any other time than between the 10th of May and the 24th of July. And if he has no money or labour unexpended, he shall nevertheless call out persons residing in his division, apportioning such labour as equally as may be amongst the inhabitants, and he shall immediately give in an account of the labour so performed to the Township Clerk. Overseers for neglect of this duty are liable to pay damages in case of accident.

The Overseer shall cause to be put up at every bridge within his division, exceeding thirty feet in length, a legible notice to this effect,—
“Any person riding or driving over this bridge faster than a walk will be subject to a fine as provided by Law.”

TOWNSHIP WARDENS.

The Township Wardens shall report to the Magistrates of the District any person of unsound mind, going about the Township to the danger of the inhabitants.

They may exempt any person, not assessed at more than £25, from Statute labour, on account of age, sickness, or other misfortune.

FENCE VIEWERS.

If two parties, occupying adjoining tracts of land, have any dispute, as to what part of the dividing fence, or of any drain, or water-course, each party shall make and keep in repair, they may call in three Fence viewers to make an award. For the manner of proceeding in which case, see the Act, 4th Wm. IV chap. 12.

HIGHWAYS.

No Overseer, or other person, may remove any fence enclosing any part of a concession line, or allowance for road, unless authorised to do so by an order of the Council, of an application for which at least eight days notice must be given to the party in occupation.

Any person wilfully stopping up a road, or destroying any railing, guard, or finger-post, is liable to a fine of £5.

Any person neglecting, after twenty-four hours notice, to remove the obstruction in a road, arising from any tree having fallen, or been cut down, from the land in his occupation, is liable to a fine of ten shillings for every day the obstruction remains.

Any person riding or driving across any bridge, above thirty feet in length, faster than a walk, is liable to a fine of £1.

Any person maliciously destroying any bridge, or rendering it impassable, or dangerous, is guilty of felony.
