B. L. Cascade." For the past 15 years I have suffered from such, and have never had the permanent relief from medicines as I have had from your "Cascade." I consider it the best investment I have ever made, and would not be without it for one hundred times its cost. I consider that those who are inflicted as I was are making the mistake of their lives to be without one of your Cascades. Wishing you every success in your ef- forts for sufficing humanity. I am, Dear Sir, yours truly, "Grateful." P.S.—Name and address will be fur- nished if requested. It is Nature's own cure for Constipa- tion, and is now being used by over 500, 000 Canadians and Americans with great 	The increased war order business of the United States has placed an increased drain on the limited supplies hitherto available and Canada's difficulties in se- curing iron and steel material from manufacturing output for domestic use threatens to cause a temporary shutting down of some plants or at least a re- stricted output and short shifts that	one of the most widely known grain mer- chants in the dominion died today. He was a former president of the Montreal corn exchange. Mr. McFee was born in 1849. David McAdam. St. George, Sept. 27—The remains of David McAdam were brought here on Monday last. He died in Amherst where for some years he had been engaged in the granite business. Mr. McAdam was the son of the late David and Mrs. Mo- Adam , and leaves a widow, who is the daughter of Captain and Mrs. Chales Johnson, and three boys and a girl. His mother and two brothers, T. S. McAdam and William, and one sister, Mrs. Grear- son, of Vermont, also survive. On Sunday last the death of Mrs. Angeline Breau occurred at her home in Moncton. She was the widow of Jacques Breau. Mrs. Breau was a resi- dent of Tabusintac for a number of years. She was formerly Miss Angeline Gould of Memramcook, and is survived by one son, Joseph, at home; also five daughters—Mrs. Joseph Arseneau, of Coverdale, and the Misses Christenna and Lizzie at home; Rosanna, of Chat- ham. She also leaves two brothers and three sisters—Joseph Gould, of Brant- ville; Mrs. Alexander Gould, of Brant- ville; Mrs. Charles Thibideau, of Brantville. She was seevnty-six years of age. The death of James A. Lord, aged seventy-nine years, occurred last evening at the home of his niece, Mrs. Henry Lord, 141 Rodney street, West St. John. He had been ill for some time. One brother, David B. Lord, of West St. John, survives.	<text><text><text><text><text></text></text></text></text></text>	<text><text><text><text><text><text></text></text></text></text></text></text>

FRANK STATEMENT FROM MINISTER OF MILLITIA Minister's Office, Ottawa, Aug. 24th, 1917. I would be glad if every man and woman in Canada were to see these pletures—The German Retreat From Arras—the most vividly interesting series that has yet come from the war zone. They cannot fail to be a source of inspiration to all who see them, illustrating as they do the unfailing cheerfulness, the indomitable spirit and the resourcefulness of our Canadian soldiers in all the difficult and trying conditions of modern warfare. A. E. KEMP, Minister of Militia and Defence. Catarrh Cannot be Cured with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Cure is taken internally and acts thru the blood and on the mucous surfaces of the bysem, Hall's Catarrh Cure is taken internally and acts thru the blood and on the mucous surfaces of the system. Hall's Catarrh Cure is was prescribed by one of the best tonics known, combined with some of the best tonics known produces such wonderful r	 and in your state percently and Tuber- culosis. "At Guy's Hospital Sir William Ar- buthnot Lane decided on the heroic plan of removing the diseased organ. A child who appeared in the final stage of what was believed to be an incurable form of tubercular joint disease was operated on. The Lower Intestine, with the exception of nine inches, was removed, and the portion left was joined to the Smaller Intestine. "The result was astonishing. In a week's time the internal organs resumed all their normal functions, and in a few weeks the patient was apparently in per- fect health." The Lower Intestine can never get into this condition if Internal Baths are used. The "J. B. L. Cascade" cleanses the Lower Intestine its entire length thoroughly with pure warm water, and removes all this poisonous waste, which is such a menace to health. This is a sample only of many hun- dreds of letters we have in our files: Dept. Public Works, Ottawa, Ont., Jan. Sist, 1916. Dr. Chas. A. Tyrrell, Toronto: Dear Sir,— Words, I can assure you, quite fail me to express my satisfaction and grateful- ness to you for inventing such a humane and common-sense remedy for stomach troubles as the "J. B. L. Cascade." For the past 15 years I have suffered from such, and have never had the permanent relief from medicines as I have had from your "Cascade." I consider it the best investment I have ever made, and would not be without it for one hundred times its cost.
