If the kidneys are at fault—and in a large majority of cases of pain in the back they are—doctor them at once, and doctor them persistently, as it is impossible to have a well strong back unless the kidneys perform their functions properly.

The primary cause of pimples arises from the blood not being in a good condition. When the blood becomes impure you will find that pimples will break out all over the body, but more particularly on the forehead, nose and chin, and although they are not a dangerous trouble, they make you appear unsightly both to your friends and yourself. What you need, when these pimples break out, is to get a real good blood purifying medicine such as Burdock Blood Bitters. One that will build up the system by cleansing the blood of all the impurities and poisons which cause the skin to break out in these eruptions.

Mr. F. A. McKenzie, Portage La Prairie, Man., writes: "Last summer I was all run down and winft for work of any kind. All kinds of food seemed distasteful to me. Pimples appeared on my face and hands, and I seemed to grow worse every day. One day a friend advised me to try Burdock Blood Bitters. Half-heartedly I did so, and the results obtained were marvellous. I regained my health, I took on flesh, and in a short time the pimples and skin eruptions disappeared entirely; thanks to the healing powers of B.B.B. I freely recommend it to all sufferers."

B.B.B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

Such cases as the above are constantly coming to our attention. If people in this vicinity only realized how Vinol invigorates old people we would not be able to supply the demand.

It is the tissue building, curative elements of the cod's livers, aided by the blood making strengthening properties of tonic iron contained in Vinol, that makes it so successful in building up strength for old people, delicate children and for all run-down conditions. Vinol is also a most successful remedy for chronic coughs, colds and bronchitis. If it fails to benefit any one who tries it we return your money. M 729-21—Vanwart, B., Res. No. 177

"Wanted-A Plumber"

"A perfected war photoplay, dealing with the civil war period. In completeness of setting, well rounded plot and convincing realism but few offerings have equalled it. The production shows exquisite care and foresight in every detail. The war engagements are shown in a vivid, realistic way. The views of the rat-infested Libby Prison, were undoubtedly accurate," etc., etc.

A Kalem comedy that should interest the tax-payers of St. John, also our city fathers. See it sure.
