DON'T BE A SLAVE TO YOUR STOMACH

It is Easy to Prevent All Stomach Troubles that Are the Root of Most Ills Flesh is Heir to.

Thousands of men and women, in every walk of life, are compelled to deprive themselves of eating certain meats or vegetables because they suffer from Dyspepsia or Constipation, and that to indulge in certain foods which they like would mean bitter suffering.

Don't be a slave to your stomach! Don't forget the pleasure of eating what you please, when you please! "Gastronol," the most marvelous remedy and preventative for all troubles of the digestive organs, allows you to do so. One or two Gastronol taken after meals will assure you a perfect digestion and prevent auto-intoxication which often results in most of the serious maladies which levy such a heavy toll on human life.

The surest way of assuring yourself a long life is to prevent or cure all diseases of the alimentary canal. The stomach and when it is functioning normally sickness has little chance to affect you. "Gastronol" is sold everywhere at 50 cents a box or 4 boxes for \$2.50. Each box contains 50 Gastronol, each bearing its own name to prevent you from getting it from a cheap source. See that you get full count.

If your dealer cannot supply you, address remittance direct to Dr. J. O. Lambert, Limited, 286 St. Antoine Street, Montreal.

IF BACKACHE OR KIDNEYS BOTHER

Eat less meat and take a glass of Salts to flush out kidneys—Drink plenty water.

Uric acid in most cases excites the kidneys, thereby becoming overworked; get sluggish, jaundice, and feel like lumps of lead. The kidneys become cloudy; the bladder is affected, and you may be obliged to urinate at night. When the kidneys stop you must help them flush out the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then get fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it is no longer a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble.

JO-BEL

THE WONDER SALVE
WHAT A MOTHER SAYS.

Mr. Murdoch, some time ago an eruption broke out on the faces of my children. I tried different remedies which did no good. A lady who had noticed them on the street gave me a box of your Jo-Bel salve to try. And now they are all healed. I never saw anything to equal it. No house where there are children should be without it. I am yours gratefully, Mrs. James Harley, 248 Birkenhead Street.

Equally good for piles and all skin diseases. Sold by all druggists, \$1.00 a box; trial boxes 50c.

Be Suspicious of Tender Gums

Be suspicious of any tenderness or bleeding of the gums. This is usually the first stage of Pyorrhea—an insidious disease of the gums that destroys the teeth and undermines bodily health.

Gradually the gums become spongy. They inflame, then shrink, thus exposing the unenameled tooth-base to the ravages of decay. Tiny openings in the gums form gateways for disease germs to enter the system. Medical science has traced many ills to these infecting germs in the gums weakened by Pyorrhea.

They are now known to be a frequent cause of indigestion, anemia, rheumatism and other serious conditions. So watch carefully for that first tenderness or bleeding of the gums. Try Forhan's immediately. It positively prevents Pyorrhea (Riggs' Disease) if used in time and used consistently.

And in preventing Pyorrhea—it guards against other ills.

Forhan's (For the Gums) cleans teeth scientifically as well. Brush your teeth with it. It keeps them white and clean.

If gum shrinkage has already set in, start using Forhan's and consult a dentist immediately for special treatment. 35c and 60c tubes in Canada and U. S. If your druggist cannot supply you, send price to us direct and we will mail tube postpaid.

FIVE BIG ACTS AT OPERA HOUSE

Every Act Has Special Features—A Show You'll Enjoy.

Today a fine new vaudeville show comes to the Opera House, and one that is full of pep and ginger from start to finish.

Al H. Wilson, known in stageland as "Daniel Webster, Jr.", is here with a new singing and talking turn that always gets him in right with an audience. Mr. Wilson is the possessor of a fine tenor voice and is generally considered the best comedian in the country. He can also tell a story in a way that will win favor with our patrons. Then we have with us that celebrated comic cartoonist, Dick Boyle. His pictures fairly speak, and what they say is funny beyond words. Other sterling attractions include: Fred and Marjorie Dale, in a variety offering of singing, talking, dancing and music; Bert and Hazel Devereaux, in a comedy singing, talking and musical offering; Bert and Hazel Statelle, dance in soft shoes and also on roller skates, and do it in a nifty way. There will also be the usual picture programme of comedy and scenic subjects.

Hear "Henry Burr" sing "When the Honeycomb is Over" and "Billy Jones" sing "Maid at Kerrett's", 222 Union Street, open every night.
