**Beautiful Georgette Crepe Blouses Very Low Priced on Monday.**

The M. R. A. Ltd. stores are offering a big sale of handsome georgette crepe and crepe-de-chine blouses on Monday. These are mostly samples that were purchased at a very special price. They are new and smart in every little detail and embody the latest style touches for fall and winter. Dark and light colors are included and a big range of sizes.

Besides these sample numbers, odd blouses from regular stocks have been selected and marked at greatly reduced prices for this event. Some of these have been slightly mused from handling, but every one is marked at a price that makes it a big bargain. Read the M. R. A. Ad., for further information.

**GIRL PAYS ELECTION BET BY SWIM IN ICY RIVER**

Portland, Me., Nov. 6.—Miss Rose Starling, an athletic young woman and an ardent Democrat, paid a heroic election bet on Governor Cox's defeat when she dived forty feet from Portland Bridge and swam a third of a mile through the icy waters of the harbor to the float of the Portland Yacht Club. She was in the water twenty-three minutes.

## THEY ELIMINATE "OBEY."

London, No. 6—Congregationalist brides here no longer need promise in the marriage service to obey their husbands. A committee of the Congregational Union of England and Wales, appointed to draw up a new form of service, has decided that modern ideas favor the omission of the word "obey," and this notwithstanding the fact that no woman sat on the committee; neither were any requests received from women to omit the fateful word.

Great Britain, France and Italy have signed a tripartite agreement in which they have undertaken to support each other in maintaining their "sphere of influence" in Turkey. The limits of the areas in which the respective special interests of France and Italy are recognized are defined by the document.
