last night when he heard the news from Maine. "The news from Maine should give heart and hope to every Democrat and to every lover of good government betwixt the two seas," he said. "Taken in connection with the Democratic victories for congressmen in the sixth Missouri district the Massa-chusetts district and the Rochester dis-trict in New York, and So in connection with the large reduction in the Republican majority in Vermont it indicates a swear-ing Democratic victory throughout the country. The indications are that we will have a good working majority in the house and also gain six or seven senators."
