Provincial Par-  
d extraordinary  
Caldwell, Esq.  
d esteem.  
ovincial Treas-  
ners were ap-

inted till the filling up of the vacancy. May 26th.—Public meeting  
eld at the Exchange Coffee House, to devise means to aid the suffer-  
s by a great conflagration which occurred in Canada. 29th.—A  
complimentary address was presented to the Rev. John Loughnan,  
on his resigning the pastoral charge of St. Mary's Chapel, Halifax.  
June 6.—The first information given in the morning papers of an  
wful fire at Quebec on the 28th May, by which 2000 houses were de-  
royed and 12,000 persons rendered houseless. A fire occurred in  
ottingen street—two or three houses were burnt. July 7.—The 46th  
egt. embarked on board of the troop-ship Apollo, for Quebec. 10th.  
Great bazaar held at McNab's Island for the benefit of the Dartmouth  
Mechanics' Institute. 22.—Public meeting held at the Exchange for  
e purpose of organizing the Halifax Water Company, by electing  
eters, preparing bye laws, &c. The sum of £835 19 10½ was col-  
lected through the several wards of the city, during this month, in aid  
the sufferers by fire in Quebec. Aug. 5th.—A great thunder storm  
recharging hail-stones of an extraordinary size, burst over the city.  
e like was not witnessed for many years before. 21st.—A sacrilege  
s committed at St. Mary's Church by some villains—the vestry  
ing entered and pillaged of its valuables.

Sept 1st.—Great robbery of over 200 chests of tea in Messrs. Char-  
an & Co's warehouses. 11th.—A public dinner given to the Rev.  
B. O'Brien, of St. Mary's Cathedral, at the Halifax Hotel. Several  
letons, with an Indian tomahawk, were dug up by the labourers  
employed in excavating the foundations of a house in Lockman street.  
Oct. 2.—A public meeting held at Mason Hall in favor of the con-  
templated railroad from Halifax to Quebec; which was attended by all  
leading capitalists of the city. 7.—A regatta took place in the  
bour, and passed off with great spirit. The opening of a mine in  
etmouth, said to be iron, was commenced this month; but after  
considerable labour and expense in working the mine, the project was  
andoned.

Nov. 8.—A meeting was held at Mason Hall relative to the projected  
al Road from Halifax to Quebec, which was largely attended. Reso-  
lutions favourable to the object were passed and a provisional commit-  
tee appointed to carry out the important undertaking. 15th.—Samuel  
Fairbanks, Esq., appointed by Lord Falkland, the Lieut. Governor,  
the office of Treasurer of the Province of Nova Scotia. A night  
sch was commenced in the city, and continued for a few weeks.  
Dec. 11th.—A public meeting held at Mason Hall to take into con-  
sideration the subject of a Railway from Halifax to Windsor. Resolu-  
tions were passed in favor of the undertaking, and a committee ap-  
pointed to carry out the views of the meeting. A great seizure of  
straband goods to the amount of £200. was made by the Custom  
house Officers, near the foot of Cornwallis street.
