Miramichi and the North Shore, etc.

MR. W. S. Loggie is offering a full line of ment to be held in Masonic Hall, next Tuesday evening, by the members of St. Michael's C. T. A. Society, should draw a suil house.

THE SPRING HILL FUND concributions from Chatham and vicinity have not all been made up yet, but \$400 have been forwarded by the Treasurer, F. E. Winslow, from many places and much more is required. The calamity was one of the worst in the history of mining anywhere.

Michael Callaghan was found on the railway track here on Saturday night badly smashed | that had been his in his whole public career and cut. He was taken to the Catholic bospital and Drs. Lunan and Venner called, the present time-and he thought it came but he died in a short time. He was with bad grace from his opponent; in this election to accuse him of working for annexknown what train struck him, but it is ation, and he might say, here, that no man hought it was Conductor Lamkie's special.

years, was walking on the Canada Eastern sent them, and it was his hope that they years, was walking on the Canada Basterii track on Saturday last, near Zion station. The train had been delayed by the deep snow and it is supposed that the old man shought that it had passed. He was very placing its issues before the people. Most placing its issues before the people with hat it had passed. He was very placing its issues before the people with hat it had passed that the policy is the deep stored in the contest and assisted in placing its issues before the people. Most placing its issues before the people with hat it had passed the contest and assisted in placing its issues before the people. Most placing its issues before the people with him in the contest and assisted in placing its issues before the people. The people will be a people with the people at and did not hear the train coming alof them went loyally into the work with but

		Majority for Adams,	473 .	-
a	fter d	eclaring Mr. Adams,	duly e	lected,

the Returning Officer also declared his cour

As soon as the applause which greeted the they gave to preparation in order to accomannouncement had subsided. Mr. Adams this for the winning, as well as the losing candidate to thank the electors. First of all. however, he desired to acknowledge the efficiency and integrity of the Sheriff in conducting the election just closed. That officer had in this -as in all other elections given universal satisfaction. No one could tell how much he desired to thank all those who had stood by him in this contest and | ed upon the streets in connection with the how greatly he appreciated the victory that entertainment and the 73rd Band also furhad been won. In the midst of victory, nished street music and played the march however, he hoped a generous spirit would for the Guards. he manifested towards those who were defeated. Let the victors act with prudence and moderation, remembering that those who opposed them acted within their right, arrh can be instantly removed by the use of Nasal Balm. Sold by all dealers. and let credit be given to them for having voted conscientiously. All should be governed by a desire to make the best of the victory, so that, forgetting the little differvictory, so that, forgetting the little differences of the contest, all might now co-operate for the good of the County and the country at large. It was, by no means, the personal popularity of himself that had secured his success, nor had the election been run by the hard lines of conservative and liberal. He must give due credit to the friends from the other side, who had placed the issues at a take pefore party and come over to his sid. It was to these, as well as to his own party and friends, that the credit of the victory was due. In the spirit to which he had already referred, he would pass over some of the hings of a personal character said on nom; the victor was the hings of a personal character said on nom; the vistest and most virtuous of the prophet of the contest, all might now co-operate for the good of the County and the country and the country and sheek in the broad places thereof, if you can find a man," and another, more about three feet long," continued Mr. James, "and spoil the good fishing, or what would pegod fishing, by eating or scaring through the streets of Athens, with a lighted lantern to assist his vision, seeking personally that for which in Jerusalem Jeremiah sent deputies in pursuit. Yet the streets of Jerusalem were thought the world accounted a mong the wisest and most virtuous of the prophet.

I the good of the Country and he country and another, more about three feet long," continued Mr. The sharks in the bay of Galveston are about three feet long," continued Mr. James, "and spoil the good fishing, by eating or scaring to death about all the fish in the bay. This so provokes the fishermen that they go out in parties and catch all the sharks they can. They never kill one immediately, but bore a hout three feet long in parties and catch all the sharks they can. They never kill one immediately, but bore a hout three feet long in East India missionary the formula of a simple vegetable remedy for the speedy and personal three feet long. The form the Texas metropolis, to a Chicago T ences of the contest, all might now co-operate walked those whom the world accounted among the wisest and most virtuous of the second the virtuous of the second they would be to so represent the county that friend and opponent alike would approve. He believed the result of the election would be for Northumber. In the discovery of a man; that is one whose integrity, uprightness and manhood, were without a flaw, and it is hoped that other members of the tribe will take warning and give the Bay of Galveston a wide berth.

Assessors of Rates for the Parish of Chatham, The Assessors of Rates for the Parish of Chatham, The Assessors of Rates for the Parish of Chatham, would try to do credit to himself and the covered the object of their quest;—such self about the slow death that is dealt out to having received warrants to the Assessment on the
