## A Canadian Medicine

WHICH HAS MADE A WONDERFUL REPUTATION THROUGHOUT THE WORLD.

Every Cure Published is Investigated by a Responsible Newspaper—The Advertiser Has Looked Into and Gives Below the Particulars of One of These Cures.

From the Advertiser, Hartland, N. B.

The Advertiser has come across still another instance of the remarkable curative powers of the famous Canadian remedy, Dr. Williams' Pink Pills for Pale People. Mr. William Tedlie, of Lower Brighton, a prominent lumberman and farmer, came very near being a cripple from rheumatism, the dread disease so prevalent along the St. John River. Mr. Tedlie is now 65 years of age. Five years ago he was taken with the first symptoms of rheumatism—over exposure, the stream drives and the general hard life of the lumberman, paved the way for the lodgement of the excruciating disease. The symptoms first manifested were pains through the legs, arms and hands. Gradually conditions grew worse. At intervals there would be an abatement of the malady, but for months each year he was very nearly helpless. The pain was so agonizing that sleep was out of the question, and to work was impossible. The afflicted man had so often read of the wonderful efficacy of Dr. Williams' Pink Pills in cases similar to his own, that he resolved to try them. He says, however, that he was not hopeful of receiving much benefit, as he had tried many medicines without any good results following. He began the use of the Pills and by the time a couple of boxes were used he found they were helping him. Thus encouraged he continued the use of the medicine and gradually the pains and soreness left him, he was able to sleep soundly, and enjoyed an excellent appetite. In fact after using Dr. Williams' Pink Pills for less than two months Mr. Tedlie says he found himself in the best of health. He is now a warm friend of this great medicine and urges similar sufferers not to experiment with other medicines but at once begin the use of Dr. Williams' Pink Pills.

Rheumatism, sciatica, neuralgia, partial paralysis, locomotor ataxia, nervous headache, nervous prostration, and disease depending upon humors in the blood, such as scrofula, chronic erysipelas, etc., all disappear before a fair treatment with Dr. Williams' Pink Pills. They give a healthy glow to pale and sallow complexions. Sold by all dealers and postpaid at 50c. a box or six boxes for \$2.50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont. Do not be persuaded to take some substitute.
