Fredericton . . . 6,250 1,250
Chatham . . . 6,251 1,206-1-5

CENSURES MANAGEMENT OF INTERCOLONIAL

Moncton, Dec. 3.—There is considerable comment among railway men especially, on the failure of the I. R. C. Board of Management to pay any attention to the findings of the coroner's jury in the cases of wrecks on the road involving loss of life.

On the night of Oct. 23, 1909, a terrific smashup occurred at Nash's Creek, involving not only considerable rolling stock, but several lives. The coroner's jury on that occasion recommended the placing of more night operators along the line.

Again, at Nauwigewauk on May 24th 1910, a collision occurred in which John Assey, of Moncton, lost his life. On this occasion the coroner's jury censured the managing board for neglect in not furnishing agents between St. John and Hampton with a copy of bulletin, issued Nov. 4th, 1909, and also found that the board assumed grave responsibility in removing the eastern semaphore at Nauwigewauk leaving that station without protection from west bound trains.

On October 30th, this year, a real end collision occurred at Sackville, one special train, east bound, dashing into another just as it was entering Sackville yard and killing Frank Melanson, a trainman, who was travelling in the van as a passenger on this occasion after a thorough enquiry, the coroner's jury found as follows:

"We most strongly condemn the practice of operating trains between Dorchester and Sackville by the present signal system, which by reason of numerous heavy grades and sharp curves, is extremely hazardous.

"We believe the form system, recently discarded, of written clearances to be the only method of operation between said points with safety to the public and employees.

"We recommend therefore, that the telegraph office at Evans' siding be reopened at once and that a day and night operator be again installed at that point.

"We feel that the principle of closing Evans' station and the stations of minor importance for the saving of the wages of operators, is not consistent with public safety of life and property."

It may be added that the section of the road between Sackville and Dorchester has long been regarded as most dangerous and the danger is increased by the distance, about 12 miles, Evans' siding is on the summit of a heavy grade, trains frequently having difficulty getting up the grade and going very fast down the other end. Until about two years ago there was a standing order that no train should leave Evans' siding until the preceding train had arrived at Sackville or Dorchester, as the case might be, but the removal of the operator from Evans' has made such precaution out of the question and the system of signals has proved to be ineffective in this case.

The managing board has paid no attention to the findings of the coroner's jury in any of these cases, and trains continue to be run at the risk noted.

I. R. C.

GAMPBELLTON HAS FINE NEW CHURCH

Campbellton, Dec. 1.—The Presbyterian church is nearing completion; the building, while possessing no great architectural beauty, is substantial and pleasing in appearance. A handsome pipe organ costing \$4,000, will be installed shortly. The heating system of hot air is to cost in the vicinity of \$1,500. The Methodists of the town, can claim the distinction of being the first congregation to worship in their own church since the fire. Their building, which has only been recently completed, is small, but of very tasty design and finish. The other denominations, Roman Catholic, Baptist and Church of England, will not erect edifices until next year; meanwhile they worship in temporary structures.

A quiet wedding, but one of considerable local interest, took place Tuesday morning, the 28th ult., at the residence of the bride's mother, Ramsey street, when Miss Bessie Gallon, was wedded to Capt. Harry Eagles, Rev. T. P. Drummond tied the nuptial knot. They will reside here.

Tuesday morning, the 28th ult., the Rev. E. P. Wallace united in matrimony, Mr. Jos. La Page, of Rimouski, Que., to Miss Alma Martin, second daughter of Mr. and Mrs. Oliver Martin, Ramsey street, also Mr. Felix LeBlanc, of Campbellton, to Miss Louise Boudreau, also of Campbellton.

A very quiet wedding took place, Wednesday night, the 29th ult., at the home of Mrs. John Duncan, Queen street, when Mr. Andrew J. Jennings, of Belfast, Ireland, was married to Miss Colina Pearl Willett, of New Richmond, Que. Mr. and Mrs. Jennings will live here. Rev. T. P. Drummond performed the ceremony.

THE SACKVILLE NEWS LETTER

Sackville, Nov. 30.—The annual November meeting of Sackville and Westmorland Society was held on Tuesday afternoon in the curling rink with a large attendance. President F. W. George occupied the chair. Officers elected for the ensuing year were, president, Frank Trueman; vice-president, L. M. Anderson; secretary, Albert Collette; treasurer, J. W. Donli; auditor, W. Turner; directors, Fred. Dixon, Angus M. Ayard, Albert Anderson, S. Edgar Dixon, F. W. George, Roy Hicks, Arthur Snowden, Hazen Etter, Frank McKay. The delegates to attend the F. and D. Association at Fredericton are, L. C. Harper and William A. Trueman. An offer from five local horsemen to rent the race track for a period of five years, was left to the January meeting to decide.

A large and representative audience greeted the immigration agent for New Brunswick, A. B. Wilmut, on Tuesday evening in Dixon's Hall. Mr. Wilmut was brought here by the Sackville board of trade who are anxious to induce desirable immigrants to locate in the vicinity. Other speakers were Rev. C. F. Wiggins, W. S. Fisher, St. John, Dr. Borden, Dr. Campbell, G. R. McCorr and the meeting was an enthusiastic one from the beginning.

An additional school room has been found necessary in Port Elgin public school, and an unfinished one has just been made ready. Miss Howard, of Sussex, is the new member of the teaching staff.

Mrs. F. B. Black has returned from a stay of several weeks in Boston. The death of Mrs. Smith Orr, wife of the former proprietor of the Albion House, at Joliet, took place at Allenton, Mass., recently. Mrs. Orr will be remembered by a wide circle of friends.

The position as warden of the Dorchester penitentiary which has been vacant for more than a year, has been filled by the appointment of A. B. Pipes, who has been promoted from deputy warden.

A successful concert was given by the boy scouts, Dorchester, on Friday evening in Hickman's hall. W. H. Chipman, R. C., presided. The programme consisted of scout exercises, drills, semaphore work, distribution of badges, decoration of seven boys as first class scout, baritone solos by W. S. Kemp, choruses, quartettes and readings by Rev. D. E. Hart, scout master. A substantial sum was realized for scout purposes.

A record breaking number of entries have been received for the Maritime winter fair which opens in Amherst on Monday, Dec. 4th. A daily special will run on the short line from Stellarton, returning after the features of the evening.

C. J. Silliker and M. B. Vail, of Amherst, have been touring the west the past few weeks. While absent they personally inspected and invested largely in real estate which will be put on the local market at once.

Professor John Hammond, director of Mount Allison art gallery was elected a member of the Royal Canadian Academy Council at a meeting in Toronto this week.

ST. STEPHEN PASTOR FOR ST. MATTHEW'S CHURCH, MONTREAL

St. Stephen, Dec. 3.—Just enough snow fell last night to make possible the first sleighing of the season, which has been enjoyed today by large numbers.

Rev. L. B. Gibson, Ph. D., who has been pastor of St. Stephen's Presbyterian church for the past five years, preached his farewell sermon this evening and will leave early in the week for Montreal to become pastor of St. Matthew's Presbyterian church. Dr. Gibson leaves a splendidly united and energetic church free from all debt innumerable, a condition brought about very largely by his own zeal and consecration.

He carries with him the esteem and good will of all classes and all denominations and will long be remembered as a tireless worker for the spiritual and moral uplifting of the community. The church in Montreal is fortunate in securing the services of a young man of such devoted ability.

In the death of Almon I. Teed, which occurred at his home on Saturday morning, this community has lost a citizen who had served its interests faithfully and held the esteem of all. Mr. Teed came here from Boston in 1887 and was engaged in the wholesale grocery business until about a year ago, when ill health made necessary the relinquishment of the activities of life, and since that time he has patiently awaited the summons to the life eternal.

He was a member of the town council for several years and served as mayor for five years in succession. During those years the town installed its water works system, to which Mayor Teed gave unstintingly of his time and ability, afterwards retiring from the board to become chairman of the water commission.

He was an ardent Conservative, and was a member of the commission appointed by the Hazen government to inquire into the affairs of the Central railway. He was of a kindly disposition, and will be missed by all classes in the community. He was 67 years of age and is survived by his widow, two sons, Edward R. Teed, of Woodstock, and Geo. H. Teed, now in Australia, and two daughters, Mrs. Geo. Wilson, of London, Ont., and Mrs. Walter Teed, a trained nurse, whose privilege it was to minister to her parent in his illness. The funeral will be held Monday afternoon, and will be conducted by Rev. Geo. Dawson, pastor of the Methodist church. The Masonic and Orange bodies to which he belonged, will participate.

NORTON WAS WINNER OF BASKET BALL

Norton school defeated Sussex school in a fast game of basketball, which was played at Sussex, on Saturday afternoon, by a score of 39 to 28. The teams lined up as follows:

Norton	Forwards	Sussex
Belding	Warren	
Sherwood	Hickson	
Loughery	Centre	
Norton	Defence	
Prince	Chambers	
Murphy	McMonagle	

Field goals—Loughery, 10; Belding, 2; Sherwood, 2; Warren, 1. Penalty goals—Loughery, 11; Warren, 1; Jones, 5. Referee—Adair.

Nasal Discharge Proves Catarrh is Active.

THE PURE BALSAMIC ESSENCES OF CATARRHOZONE AFFORD SUREST AND QUICKEST CURE.

Catarrhozone is certain to cure because its healing vapor is carried with the breath direct to the seat of the chest, nose or throat trouble. Being composed of the purest balsams and pine essences, it immediately allays irritations, facilitates the ejection of mucus, soothes and stimulates the lungs and bronchial tubes. The marvel of the age in curing winter illness—that's what thousands say about Catarrhozone. There is nothing so sure to cure, and to those in fear of changeable weather—those who easily catch cold—those who work among lumber-chilling surroundings, or where dust, impure air, fog, or damp can affect them—let them get Catarrhozone and use it several times daily—it will cure every time.

Bad Case Cured in Two Days. "I was unfortunate enough to catch a bad cold from sitting in a draught in my bare head," writes Miss Nora E. Jemison, well known in Sangre Grande, Td. "An acute condition of catarrh developed in my nostrils, and for three days my eyes and nose ran most copiously. The usual remedies entirely failed to relieve. I read in The Mirror newspaper about Catarrhozone, and sent to Smith Bros' drug store for a dollar outfit. In two days Catarrhozone cleared out my nostrils, cured the sneezing, coughing, and all traces of catarrh."

Large size Catarrhozone, sufficient for two months' use, guaranteed, price \$1.00; smaller sizes 50c. and 25c. Beware of imitations, and substitutes, and insist on getting "Catarrhozone" only. By mail from the Catarrozone Company, Buffalo, N. Y., and Kingston, Ont.

Got A Pain In Your Back?

IF YOU HAVE HEED THE WARNING!

You get a pain in your back, and you wonder what is the matter. When the back aches or becomes weak it is a warning that the kidneys are affected in some way.

Heed the warning; cure the weak, lame, aching back and dispose of any chances of further trouble.

If you don't do this, serious complications are very apt to arise, and the first thing you know you will be troubled with Dropsy, Diabetes or Bright's Disease, the three most deadly forms of kidney trouble.

On the first sign of a pain in the back, Doan's Kidney Pills should be taken. They go right to the seat of the trouble, cure the backache and prevent any further complications arising.

McC. Stewart, Johnston, Richardson Mines, N.S., writes—"For years I was troubled with my back, and I had to give up work. I tried Dr. after Dr., and was getting no better. I had almost given up hope when I began to try Doan's Kidney Pills. I took three boxes of them, and found I was completely cured. I feel I owe my life to Doan's Kidney Pills."

Price 50 cents per box, or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's."

WITH THE BOWLING LEAGUES
