Scholarly Address Delivered by Dr. H. L. Spangler De-

lighted St. Peter's Y. M. A.

ment of St Peter's church yesterday afternoon.

The doctor described poetry, as mere rythm, and cadence expressed in words; music as meter, rythm and cadence expressed in tones. Poetry required the effort of the mind, music sprang from the spirit.

He described the great power music had over men. In times of war when led by martial strains they would face death at the very cannon's mouth without a thought of fear, while in times of sorrow or depression the soothing strains of old familiar melodies acted as a healing balm on the wounded heart.

The doctor's address was listened to with the closest attention and the warm applause with which it was greeted at its close expressed in a tangible manner the great pleasure afforded the sudience.

Frank Burke, president of the St. Peter's Y. M. A., presided at the meeting and extended to Dr. Spangier the hearty ovice of thanks which was moved and seconded them the floor.

Proved A Success

One Hundred and Forty-One Boys Heard Address on "Newspaper Work."

The second Tuxis Boys' Conclave held at the Y. M. C. A. on Saturday night proved to be a huge success, one hundred and forty-one boys being present for the occasion.

The Basketball Relay Match result ed in St. David's winning first place Portland second, and Queen's Squar-third; and in the match game between St. David's and Portland, the latter were victorious by the score of 14 to 11.

The swimming competition for the Aquatic Badge brought forth great rivalry, and the length for open style was 175 yards or fourteen lengths of the swimming pool. At the next conclave in January, the competition will call for a swim of 100 yards on the back and a dive from the surface, bringing up a five pound weight.

The Who Qualified

The tollowing qualified in Saturday's test of superfority: George Love, George Coleman, Stewart Dunham, George Sinclair, Harold Holder, Gorden Robertson, Donald Robertson, Robert Kipp, John Linton, Steve Sears, A. R. Copp, Spencer Leary, R. Roberts, L. Rolston, C. Campbell, W. Giggey, E. Wilson, H. A. Titus, F. H. Howard, Gordon Lingley, R. McLellan, F. Dykeman and H. Friars.

The customary songs were rendered with great gusto and the singing was led by W. F. McEwan. A vote of thanks to the ladies of St. David's church who supplied the supper was moved by Allen Whittaker and seconded by Fred Lower.

BRINGING MEN FROM ENGLAND TO FILL SHOPS

Tom Moore Charges Much Unemployment is "Arti-ficial" at Present.

SUGGESTS MEANS TO HELP THE WORKLESS

Cheap Labor Being Imported While Skilled Men Are Discharged.

Toronto, Dec. 12.—Stating that he elieved that in the present crisis of nemployment many small industries ould go under and be taken in by pers, and that some of the unem-ment was artificial, President Tom-pre, of the Trades and Labor Con-iss of Canada, at a conference of or representatives here on Satur-on the serious situation with re-d to workless men made the fol-ing suggestions:

Distribution of work to keep all mployed and the creation of a fund of supplement wages, if necessary, to 5 per cent. of the former pay enveppe, this fund to become permanent ater on; reduction by the federal and rovincial governments of the ten our day to an eight hour day on the Welland Canal contract and the ydror development work at Chipawa,

awa,
President Moore said that employrs had brought from England to
fontreal on October 18, last, eighty
extile workers when employers knew
hat their mills would not provide the
mployment they had promised.

Still Bringing Men.

He also charged that a large corporation in Ontario was laying off mechanics whom it had brought from England during a strike last summer to take on other mechanics whom it recently brought from England.
"Even when the collapse was here," Mr. Moore said, "Toronto employers brought boot and shoe workers to the city, knowing that there was no prospect of employment."

What Hamilton Plans.

Hamilton, Ont., Dec. 12.—Immediate and substantial relief, not in the form of crumbs of charity but in the form of work, will be given to Hamilton's 2,500 unemployed. Plans to carry out this project were made on Saturday night at a special meeting of the board of control. A portion of the Scott Barracks, which has been used during the influenza epidemics as an emergency hospital will be opened on Monday night, fully equipped to give asylum to destitute returned soldiers and civilians, who will be given breakfast each morning before setting out in search of work.
