Practical Business Education.

DAY and EVENING SESSIONS.

Eaton's Commercial College,
RITCHIE'S BUILDING, St. John, N.B.

OUR course of study is comprehensive, and adapted not only to such as have enjoyed the best educational advantages, but also to those whose education is deficient, from want or neglect of early opportunities or other causes. Those who desire to engage in Mercantile pursuits will receive that which is invaluable to them in the safety and despatch with which they will be able to conduct their own business or that of others. It gives the Mechanic an opportunity to take a front rank, by reason of superior ability to transact with correctness the business of his calling. To those engaging in Agricultural life it gives a practical knowledge and experience in business, which will enable them to meet the shrewd business man with confidence. And to that large class who are uncertain what course to pursue, it is not only the best stepping stone to lucrative and permanent business of their own, but also a ready means of commanding regular employment.
