Dear Madam,—In justice to you, and that the afflicted may know the great tenefit derived from the use of your justly Celebrated Dinner Fills, I send you the following statement:

My wife was afflicted with the Lyspepsia for one year, and Files many years, and tried various remedies that were recommended, but nothing did good untill a friend told her to try your Fills, which she did, and after taking one box fourd so much relief that she continued to take them for four months, and now she is really in as good health as she ever was. And for myself, I had a cough for four years, and constant pain in my breast: I was also troubled with hemorrhage for upwards of nine months. I tried almost everything, but no cure was effected, until I used your Fills, which I have been taking for three months, and I have neither pain nor cough, and enjoy as good health as ever I did, and allow me with due respect to remain Yours, very thankfully, St. John, N.
