The Brightest and Best!

Daily, Semi-Weekly, Weekly, and Sunday editions.

THE NEW YORK WORLD

FOR 1884.

Presidential Year.

New Proprietor! New Editors! New Life and Blood!

Six months ago THE WORLD commenced its new career. Its growth has been unprecedented. Its wonderful advance in circulation, in advertising, in influence, in popularity, warrants the claim of a leading position in New York journalism.

No expense or effort will be spared until THE WORLD is recognized as the GREATEST, as well as the BRIGHTEST and CHEAPEST PAPER in AMERICA.

THE WORLD, as the leading Democratic newspaper in the country, knows no faction and recognizes no individual ambitions or aspirations aside from the general good of the party and the Republic. It seeks the triumph of principles—not men. It upholds great Democratic ideas and ideals—not a faction or fraction of the party.

At the entrance of the new year the new World desires to express its gratitude for the hearty welcome it has received and the magnificent success it has already achieved. Its welcome comes from the people. Its success is their work. They have endorsed its merits by more than trebling its circulation in six months, and by doubling its advertising. For this they are entitled to our warm thanks.

No Democrat ought to be happy without THE WORLD. We call upon our Democratic friends in every town and hamlet in the Union to START CLUBS FOR THE WEEKLY. They will get the ablest, brightest, and cheapest newspaper in the country, as well as an earnest and steadfast missionary of pure and true Democracy.
