## IT PAYS

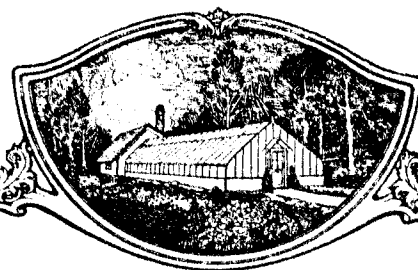

**P**URCHASE price should be the entire cost of a roof. It is the entire cost with Ludowici-Celadon Tiles. Purchase price is only the first item of cost in wood shingle, slate and other such roofing materials.

The only roof that pays is the Ludowici-Celadon tile roof. It pays in freedom from repairs; no painting and repainting or staining; in fire-proof quality and reduction of insurance. It pays in beauty. It pays in every factor that goes into the making of a perfect roof.
