You, too, can have the charm of "A skin you love to touch."

You can begin tonight to actually bring to your complexion the greater loveliness and charm you have longed for.

Begin the following Woodbury treatment tonight and you will see a marked improvement in a week or ten days.

Dip a cloth in warm water and hold it to the face until the skin is damp. Now take a cake of Woodbury's Facial Soap and go over your face with the cake itself. Then dip your hands in warm water and with the tips of your fingers work up a lather from the soap left on your face. Rub this lather into the pores of your skin. Rinse thoroughly with warm water, then with cold. If possible, rub your face for a few minutes with a piece of ice.
