#### **Empire Fence at Factory** Prices Direct to the Farmer

The Stiffest, Strongest, Easiest Stretching, Most Rust Proof Farm Fencing Made

GREATEST OF ALL OFFERS The 'EMPIRE" Fences give you more real value for your dollar than any fence you have ever been offered before. It will be money in your pocket to buy your season's supply of wire fencing now-even though you may not need it for months to come. These record breaking prices ensure you so great a saving that you cannot afford to overlook this rare opportunity—we urge you to order now, using the order coupon. We use full Government Gauge Wire. We sold upwards of 50 car loads of "EMPIRE" Fencing to Western Canada Farmers during season 1914, and not a rod of it was returned, which proves that our quality and workmanship are the BEST.

### Points that Make it Worth Your While

1st-You pay for nothing but quality by our factory to farm method. 2nd—You do not help to pay the freight on the fence of your neighbor, who lives 200 miles beyond you,

when you buy at these reduced prices at Winnipeg. 3rd—You do not have to bother clubbing your order and waiting, as the prices we quote here on local

shipments are same as quoted by others in car lots.

4th—We have style and size for every purpose for the Western farmer. Fifteen different styles to choose from. PROMPT SHIPMENT GUARANTEED YOU ON A ROLL OR A CARLOAD FROM

FACTORY AT WINNIPEG.

THE KNOT that cannot slip

Empire Fence is a square mesh straight stay fence made of full gauge wire put up in rolls of 20, 30 and 40 rods Every order is filled with bright new fencing fresh from the looms, instead of from a stock which has lain weatherbeaten for months, as is the case when you are buying fencing the old-fashioned way or when it is shipped from the head of the lakes. That is why Empire Fence is worth 2 to 3 cents per rod more than any other fence sold in Western Canada, yet our prices are the lowest.
