S.A.L.'s COLUMN

HOWDY!
We're your Students at Large for
the 95-96 school year. What
the hell do Students at Large
do? Well that hasn't really been
defined yet but we're going to
make an attempt at it!
First of all this S.A.L.'s Column
(Student at large for those who
haven't figured it out yet) is for
all you students with grievences,
Since 'WE', (Rodney & Anoushka)
don't have a chance to meet you
all & hear your probs -
write and let us know!!
Think of us as your eyes and ears.
We'll try to clarify what you
don't understand, know,
whatever-
We just want you to know
we're here for you!!!
