Hon W. L. Mackenzie King M.P.
Ottawa, Ont.

Dear Mr King -

I regret that I will not be able to attend the meeting of the Committee on June 8th - distance and stress of business preventing but I will be with you in spirit - The prime necessity in Manitoba is to get some liberal press in the hands of our people - There is not one liberal to-day, in ten who ever sees a newspaper & ~~the~~ those that are knocking the liberals - we cannot organize, collect funds or disseminate liberalism among the liberals of the Province without an organ of some kind - in a word, we are constantly losing ground till we get a press. I trust you will be able to do something along these lines to help us -

Yours faithfully
A. W. Leed
