Dear Mr. Howard,

Mr. Howard Smith's two letters reached me today upon my return to Ottawa from the Pacific Coast. I am sorry indeed that I was unable to reach the east in time to see Mr. Smith before his departure for Europe. I shall, however, follow his suggestion and have a talk with you upon my next visit to Montreal. I cannot say just when I shall be able to go down as I am to spend the next week in Hastings, but will advise you before going.

Yours very truly,

T.R. Howard, Esquire,
