Ottawa, July 6, 1926

Dear Mr. Consul General:

Your letter of the 5th instant has been received, informing me on behalf of the Belgian Government that it had been decided for budget reasons to abolish the Belgian Consul at Montreal and at the same time transfer the seat of the Consul General from Ottawa to Montreal.

I shall be glad to see you on Monday of next week if this date is convenient to you. Perhaps you would not mind telephoning my Secretary at Local 643, at Queen 6400, if this date is convenient, and he will set a definite hour.

Yours very truly,

A. Romee, Esq.,
Consul General of Belgium,
Ottawa.
