

VIGOROUS, ELEMENTAL, DRAMATIC

A HEART OF FLAME

The story of a Master Passion

BY CHARLES FLEMING EMBREE

Author of "A Dream of a Throne."

The men and women in this story are children of the soil. Their strength is in their nearness to nature. Their minds are vigorous, their bodies powerful, their passions elemental, their courage sublime. They are loyal in friendship, persistent in enmity, determined in purpose.

The story is a story of great wrongs and of supreme love. It is done in black and white, with few strokes, but they are masterly. The shadows at the back are sombre but the value of contrast is appreciated for the vivid high light in the foreground.

It is a work of art—powerful, convincing and abiding. Powerful, because true to life; convincing, for it has the saving touch of humor; and abiding because love, like "A Heart of Flame," prevails in the end.
