

PROVINCIAL LIBRARY,

VICTORIA, B.C. 23rd May, 1916.

*To the Honourable W. J. Bowser, K.C., LL.B.,*

*Prime Minister and Attorney-General,*

*Victoria, B.C.*

SIR,—I have the honour to submit Library Bulletin No. 1, entitled "A Bibliography of Publications on the War contained in the Provincial Library," which has been compiled under my instructions by Mr. John Forsyth, first assistant cataloguer, whose services in this connection I wish to commend most heartily. I might say in explanation that the world-conflict has brought forth a vast amount of literature, for which there is an ever-increasing demand, and it was deemed advisable, with your permission, to prepare this list and to print it as a handy guide to those seeking information on the various phases of the War. The books and pamphlets comprising the collection are arranged according to subject, with an author and subject index.

It is the intention to publish from time to time other bulletins covering sections of particular interest to the members of the Legislative Assembly and students, with the object of making the resources of the Library better known.

I have the honour to be,

Sir,

Your obedient servant,

E. O. S. SCHOLEFIELD,

*Provincial Librarian.*
