

12,000. The building of the Manitoulin and North Shore Railway from Little Current to Sudbury will give the inhabitants of the Manitoulin Islands winter communication with the mainland and improve farming conditions.

The Townships of Korah, Park, Prince, Plummer and St. Joseph's Island are now open for location under the Free Grants and Homesteads Act, but very little good land remains unlocated in them. Various other townships are open for sale and settlement at 50 cents per acre, one half cash and the balance in two equal annual instalments, three years' residence being required before the patent issues.

There are Crown Lands Agencies in the District in charge of R. J. Whalen, at Walford; H. N. Young, at Sault Ste. Marie, and Thomas Buchanan, Thessalon.

If more detailed information concerning any of the districts mentioned than is contained in this pamphlet be required, write to the local Crown Lands Agents, or to the Director of Colonization, or to

HON. A. G. MACKAY,

Commissioner of Crown Lands,
Toronto, Ontario.
