I Will Equip You To Raise Poultry Without Your Putting Up One Cent

Tell me who you are, and I will make you the squarest incubator-and-brooder proposition you ever heard in your life.

I will ship you a Peerless Incubator, and a Peerless Brooder (or either—but you want both), and give you a ten years' GUARANTEE in writing that they will work right.

My Peerless Incubator, and its running-mate the Peerless Brooder, will give you the right start in the poultry business. Nothing else will.

Nothing else will, because no other incubator nor brooder is heated right, ventilated right and sold right. No other incubator, no other brooder, is GUARANTEED as I guarantee the Peerless.

I take all the guess-work, all the worry, out of poultry-raising with the Peerless outfit. Just do as I say.

I will give you three years' time to pay for the outfit.

I will tell you exactly what to do to make the Peerless earn you solid cash profits.

Wouldn't to-day—now—be a good time to send for that book?

To save time and freight Western orders will be shipped from our Winnipeg warehouse; but all letters ought to be sent to Pembroke.

The Lee-Hodgins Co., Limited
3 Pembroke St., Pembroke, Ont.

I will stand by and help you make a go of poultry-raising.

If you want me to, I'll undertake to get you topnotch prices for all the poultry you want to sell. I won't sell it for you, but I'll find you a direct buyer for it, at any time of year.

I will see you through,—that's it. I'll outfit you at my own risk; I'll guarantee you satisfaction with what you buy from me; I will find you a good market for your product.

You supply just plain gumption,—that, with this outfit and my co-operation with you, will add you to the long list of people who are making more money out of poultry than they can make at anything else—and making it easier.

Now, never mind if this sounds too good to be true. You can't risk anything by hearing the whole story. That I will tell you if you will just send for my FREE book—"When Poultry Pays." It is well worth your reading.

"Maritime" wire fences are stronger than ordinary wire fences. Made from High Carbon and Hard Drawn steel wire, specially imported from England on account of its superior galvanizing, "Maritime" fences are from 75% to 100% stronger than common wire fences. Sturdy enough and sufficiently high to hold the largest stock, "Maritime" wire fence is still woven small enough to keep in small animals. The absolute regularity of the weaving, equally distributes any strain or pressure which may occur. "Maritime" wire fences are always taut. Write for catalogue and price list.

For your main crop

P-E-A-S! Queer idea, you think? Field peas for a MAIN crop? Do you know field peas brought 77 cents a bushel last year? This year's export demand will be bigger. Peas crop, per acre, 38 bushels and 1½ tons of straw (fine fodder). Guelph College recommends pea-planting. Easy crop to grow; SURE market,—crop that feeds the soil instead of tiring it. Good money for YOU in peas,—but get them early, —April is best.
